NEW! Photography & Editing Using Your Mobile Device

Are you interested in focusing on photography using your mobile devices and doing some limited post-processing of these photographs? Techniques in photography will be discussed, as well as an overview of many of the hundreds of useful apps for photography and editing, and also some very handy gadgets for your cellphones and tablets.

In preparation for the course, please download Snapseed for photo processing on your device(s) prior to the first class. Snapseed is a free app. If possible, participants should log in to LIVE Online classes with a laptop or other device and not from the cell or tablet they intend to use for photography, but this is not absolutely essential.
