**Introductory Classes**

**One-on-One Computer Training: 3 Hours**
This learning opportunity is designed for anyone who wants one-on-one attention from a computer applications subject matter expert. Registration gives you up to three hours of personalized attention on the computer topic that meets your specific need. Training topics may include: Windows or Apple/MAC Operating System, Basic Computer Assistance, MS Office, Word, Excel, Access, Outlook, Evernote, social media, and QuickBooks.

After registration, a college representative will contact you to discuss your training needs. Training is scheduled at a time convenient for the student and instructor. Training is held at an SCC facility.

**Get Started with Computers**
Want to learn more about computers? This engaging, hands-on class is for the person who has little to no knowledge about computers, but wants to learn! Find out about using Windows, creating and saving documents, getting started with email, and much more.

**NEW! iPhone or Android?**
The rivalry continues, but which one is ideal for you? Shopping for phones has changed and it's hard to know which one is the best fit. We will cover the pros and cons of each platform so you can feel confident in your next phone purchase.

**Smart Devices**

**One-on-One Smart Device Training**
This learning opportunity is for the person who wants one-on-one instruction on using a smartphone or smart device. Subject-matter experts will work with you at a comfortable learning pace. Instruction is available for beginning users and troubleshooting with iPhone, iPad and Android devices.

Registration gives you up to one hour of personalized attention on the smart device that meets your specific need. After registration, a college representative will contact you.

**Tips & Tricks with Your New iPhone or iPad**
Take advantage of the features your iPhone or iPad offers. We will help you with tips in messages, phone calls and camera and as time allows iCloud, storage and other apps.

Any iOS device, including iPad or iPhone, preferably purchased within the last two years and the OS (operating system) updated to the most recent release. Be sure your device is fully charged before zooming into class. Have your mobile device handy as you login to this Zoom class from your desktop or laptop.

**iPhone/iPad II: Beyond the Basics**
Discover advanced iPhone/iPad topics including call features such as conference calling, hold, message to answer later, notification in depth, highly useful apps for sharing and working with documents. We will cover iCloud storage and basic photo management.

Any iOS device, including iPad or iPhone, preferably purchased within the last two years and OS updated to the most recent release, will be covered. Be sure your device is fully charged before coming to class. Have your mobile device handy as you login to this Zoom class from your desktop or laptop.

For your convenience, we are offering LIVE Online learning opportunities. These classes are delivered live via Zoom. They are not prerecorded videos. This allows you, the student, to participate from the comfort of your home. Look for the LIVE Online logo shown to the left to find these classes. As our learning environment changes, we look forward to offering additional classes live online.

**NEW! Photography & Editing Using Your Mobile Device**

Are you interested in focusing on photography using your mobile devices and doing some limited post-processing of these photographs? Techniques in photography will be discussed, as well as an overview of many of the hundreds of useful apps for photography and editing, and also some very handy gadgets for your cellphones and tablets.

In preparation for the course, please download Snapseed for photo processing on your device(s) prior to the first class. Snapseed is a free app. If possible, participants should log in to LIVE Online classes with a laptop or other device and not from the cell or tablet they intend to use for photography, but this is not absolutely essential.
