NEW! Digitizing Memories

Do you have envelopes full of negatives and slides or boxes of photos? Discover how to preserve them in a more organized form by scanning. We will look at scanning techniques and some of the devices to make scanning easy to do. Discussion will involve the software necessary to scan your negatives, slides and photos and look at the software "VueScan". Have a negative, slide and/or print available to scan during the class and we will explore the process of scanning and saving those prints digitally so they will be memories forever.
