Buying, Selling & Evaluating Antiques, Coins & Collectibles

Join the fun! Learn about the "art" of making good buys and/or getting fair prices as a seller, where to learn more about collectibles, what's hot and what's not, and how to sell your antiques and coins.

Bring several items (or a mystery piece) for class discussion and a free appraisal. Tom, from Lincoln, is a former president of Nebraska and Lincoln coin clubs and is a member of the New England Appraiser's Association. He has had more than 30 years of experience in appraising antiques and coins. In 1983, he conducted what is believed to be the largest antique appraisal in state history at the Pioneer Village in Minden.

NEW! Digitizing Memories

Do you have envelopes full of negatives and slides or boxes of photos? Discover how to preserve them in a more organized form by scanning. We will look at scanning techniques and some of the devices to make scanning easy to do. Discussion will involve the software necessary to scan your negatives, slides and photos and look at the software "VueScan". Have a negative, slide and/or print available to scan during the class and we will explore the process of scanning and saving those prints digitally so they will be memories forever.
