E-3i(29) POLICY Benefits for Eligible Employees: Family and Medical Leave

Effect on Other Rights

Neither the FMLA nor this policy affects any Federal or State law prohibiting discrimination, or supersedes any State or local law, collective bargaining agreement, or other College policy which provides greater family or medical leave rights.

Other Issues

For issues not specifically addressed by this policy statement, the College will follow the federal regulations and guidelines issued by the United States Department of Labor.

Adopted Date: 08/18/2009
