

## Agri-Business

Winter 2021

### Artificial Insemination in Cattle

This course is designed to provide participants instruction and “hands-on” training with the basic skills necessary to successfully artificially inseminate cattle.

Participants will receive one-on-one training and assistance. Classwork will be both indoors and outdoors. Dress should be comfortable and appropriate for the situation, and overshoes are recommended. Students are required to assist in handling cattle and restraining for practice AI.

Please call 402-437-2700 to be added to list for class schedule.

\$399
