

Mind & Body

Winter 2021

Conflict Shocks & Your Health

What if the conflict shocks we experience in life are contributing to symptoms we experience? What if our symptoms are actually signs of our body's natural healing process? We will discuss how conflict shocks, encountered by our psyche, and initiate programs in the body to support us through the conflict and healing process. Learn a new way of looking at symptoms and gain a new level of understanding.

NEW! Personal & Professional Refocus

With many stressors competing for our time, life can seem overwhelming. In the buzz of work, family, physical distancing, protecting our health, and caring for others, we can lose our center. Mindfulness is not just meditation or yoga, it is a way of being in the world. In this workshop, learn about and practice modern-day mindfulness by exploring a grounding technique, best practices and everyday applications. Come away with a clearer directive for the days that lie ahead.
