WINTER PERENNIAL GARDENING FOR NEWBIES & VETERANS ALIKE

Love gardening and really don't want to stop for three months of winter? This series of Zoom classes helps you to feed your addiction, so you never have to experience gardening withdrawal! Regardless of how much or little you have gardened, there is always something new to learn that can surprise us all. You will need to register for class, download the Zoom app on your computer or tablet and wait for your Zoom class link to arrive in your email a couple days before class.

NEW! Using Microsoft OneNote to Document Your Gardening Ideas & Knowledge

Remember keeping diaries or journals? Some people write faithfully, and others tire of the writing quickly. Finding a passage you wrote way back when means pouring through pages and pages of entries before you find it again. But what if there was an easier (and more fun) way to keep track of your gardening notes? OneNote can do this, and it comes free with every installed version of Microsoft Office! All you need is to be very comfortable with a computer, and you will love this class.
