### Two Ways to Register

#### 1. Online

- Log into thehub.southeast.edu
- Enter your Username and Password.  
Your Username is your *first initial + last initial + SCC ID number* (with no leading zeros) + @southeast.edu.  
For example: John Smith, SCC ID number 0123456:  
js123456@southeast.edu  
If this is the FIRST time you have logged in or if you would like more information, visit <http://helpdesk.southeast.edu>.
- Select "Student Registration"
- Under the Registration section, select "Register for Sections"
- Choose either [Express Registration](#) or [Search and Register for Sections](#)  
[Express Registration](#) (Choose "Express registration" ONLY if you know exact course information or the synonym. Skip to step # 6.)  
If you know the course and section number or the synonym, you can use Express registration. Course and section numbers and synonyms can be obtained from the credit schedule. Be sure to enter the term.  
[Search and Register for Sections](#) (Choose "Search and register for sections" if you DO NOT know the exact course and section number.) Enter the correct term and at least 1 variable about a class to search for a section – click submit. Leave course level blank.
- This will produce a list of all the classes available given the variables you submitted. Click on the box in front of the class to select the course – click submit. Tip: online sections can be found by using a location of "web."
- On the next screen, you will see a list of the courses you selected under Preferred Sections. Choose the action you want to perform from the drop down box in front of the class and click submit at the bottom of the page.
- When you have successfully registered for a section, you will see a screen which confirms your request has been processed and all sections for which you are registered will be listed. When your schedule is final, click on "my schedule" at the bottom of the page and print your schedule.

Tuition and fees are due on or before the first day of class.

#### Books

Please contact the SCC Campus Store for additional required class books and/or materials at 402-437-2560 or online at [www.sccbookstore.com](http://www.sccbookstore.com).

#### Drop/Withdraw from a Credit Class

You must drop the class online using WebAdvisor on the Hub QR complete and submit an "Official Drop/Add Form for Credit Classes" to the Registration & Records Office.

Failure to attend classes does not constitute a drop or withdrawal.

Students must submit an official drop form prior to the refund deadline to be eligible for a tuition refund. Failure to attend classes does not absolve the student of making complete payment for all tuition and fees associated with the student's registration.

#### Refund Policy for Credit Classes

If you decide to discontinue your studies at SCC, refunds are prorated according to the refund formula.

$$\frac{(\text{DROP DATE}) - (\text{COURSE START DATE})}{(\text{COURSE END DATE}) - (\text{COURSE START DATE})} = \% \text{ ELAPSED}$$

The drop date will be the date you provide an "Official Drop/Add Form" to the Registration & Records office or drop the class online.

All days are included in the computation, including Saturdays, Sundays, holidays, and week days. Students are entitled to a refund based on the Refund Table for Credit Classes.

#### Refund Table (FOR CREDIT CLASSES)

% elapsed	.....%	of refund
0.0 - 10.0	.....	100
10.1 and over	.....	0

- Student activity fees are refundable only during the tuition refund period.
- Refunds are based on the date the Official Drop Form is submitted to the Registration & Records office.
- Refunds will not be granted after deadlines have passed.
- Refunds for classes cancelled by the College are automatically processed and do not require a drop form.
- Refund checks are mailed to the student's current address and usually take 3 to 4 weeks.
- Students who receive federal financial aid are subject to federal refund calculations.
- Students who register after the first class meeting and drop a course are subject to a refund based on the beginning dates of the course, not when they register.

Detailed information on tuition and refunds is published online in the SCC College Catalog.

# Summer 2021 Credit Courses

## 5-, 8-, & 10-Week Courses Available

### Are you thinking of starting college?

Are you needing to complete General Education classes for an SCC program or at another college?

Are you needing to complete pre-requisite classes to be admitted to a program in the SCC Health division?

Are you a high school student who would like to complete college General Education credit classes?

Credit classes are delivered via technology to the Learning Center classrooms. Students are able to participate in the class like any student in the originating classroom. Each class offered at the Learning Centers meets the requirement at SCC for general education classes for an Associate degree and/or a prerequisite class for a Health program. Check with your academic advisor on your degree plan.

### Do you want to take a credit class that isn't scheduled for your Learning Center?

SCC received a USDA rural development grant which included robots. The robots enable students in the Learning Center service area to attend class on one of the SCC campuses via robot. The student would initially be in the Learning Center to operate the robot, which would be driven from its campus home to the class. The robot is operated by the student via a computer using a few keys. The robots being used are from Double Robot.
