Adobe

Introduction to Adobe Photoshop Elements
Prerequisite: Experience in MAC or PC environment
In this introductory class of photo editing basics, students will learn the fundamentals of different tools and techniques used for image retouching, correction and enhancement. You will learn to correctly resize and crop images and create image compositions.

Previous experience is not required, but basic computer skills are essential. You will need to download Adobe Photoshop Elements on your computer. Further instructional elements needed will be provided prior to class.

QuickBooks

QuickBooks 2019: Basic
Prerequisite: Windows experience
Learn how to use the basic features and functions of QuickBooks Pro software. You will create a company, set up preferences, set up and invoice customers, manage vendors and pay bills, work with banking transactions (deposits, transfer funds, etc.) and perform reconciliations, and review basic financial and other system reports.

This class is for the desktop version of QuickBooks. This basic course does not customize features to your business.

QuickBooks 2019: Advanced
Prerequisite: QuickBooks 2018 or 2019: Basic or equivalent experience
Expand your understanding of QuickBooks Pro through learning how to manage inventory, setup and manage sales taxes, prepare estimates, perform job costing, work with Balance Sheet accounts, set up budgets, process payroll and related reporting, and advanced customization options.

This class is for the desktop version of QuickBooks. A portion of this course allows for discussion and or tailoring of software for your organization’s needs. If personalized assistance is desired during the course, please bring your own documents and/or laptop.

Working with QuickBooks Online
Prerequisite: Microsoft Windows experience
Learn about the features of QuickBooks online and how these can be used to manage the accounting for your small business or organization. Learn how to navigate the application, set up a company file, set up and invoice customers, manage vendors and pay bills, work with banking and credit card transactions, and utilize reports from the system.

This class is for the online version of QuickBooks. This course does not configure or customize the software for your business or organization. Please email Brooke at blenhoff@southeast.edu after registering for Zoom and book information.
