

Drug Conviction Worksheet

Student Name: _____ SCC ID: _____

You are required to complete this worksheet because you reported on your FAFSA that you had a conviction for possessing or selling illegal drugs or because you left the question blank. Complete this worksheet to determine if you are eligible for Federal Student Aid and submit it to The Office of Financial Aid at Southeast Community College.

These are the possible eligibility results:

"1" means your eligibility for federal student aid is not affected by question 23.

"2" means your drug conviction(s) affect your eligibility for federal student aid for part of the school year. To receive federal student aid, you need to tell the financial aid office at your school your "eligibility date" from question 11 on this worksheet. You can become eligible earlier in the school year if you complete an acceptable drug rehabilitation program or pass two unannounced drug tests administered by an acceptable drug rehabilitation program. Even if you are not eligible for federal student aid, you may still be eligible for aid from your state or college.

"3" means you are NOT eligible for federal student aid for this school year unless you complete an acceptable drug rehabilitation program or pass two unannounced drug tests administered by an acceptable drug rehabilitation program. Even if you are not eligible for federal student aid, you may still be eligible for aid from your state or college.
