Southeast Community College
CONTINUING EDUCATION
Summer 2021 Schedule

Bring on Summer!

southeast.edu/Continuing
What Are Non-Credit Courses?
These are designed to enhance your current workforce skills, upgrade your job skills, or for personal pleasure. Each quarter, new specialty classes appear, and new academic and technical courses are added. Classes are small, and instructors understand the needs of adult learners.

What Are Credit Courses?
Program credit courses may be taken without being admitted to an SCC degree program. If you would like to pursue a particular Program of Study and earn a college degree, contact the Admissions Office. You can request program information by calling 402-437-2600 or visiting www.southeast.edu.

For college updates, visit www.southeast.edu/covid-19

At SCC, you can take classes for non-credit or credit.

Limitations of Schedule
This schedule should not be considered a contract between Southeast Community College and any prospective student. SCC’s Board of Governors reserves the right to make changes in graduation requirements, costs, curriculum, course structure and content, and the calendar of operation during the life of the schedule and without notice.

For more information, see the index for registration and policy information.

COVID-19 UPDATE

We’re prepared for change!

Due to the COVID-19 pandemic, class offerings and schedules are subject to change. We are frequently monitoring health recommendations and we are prepared to move many face-to-face class offerings to LIVE Online. If you have questions about a class, please call us at 402-437-2700 or email your inquiry to continuinged@southeast.edu.

For college updates, visit www.southeast.edu/covid-19

The SCC Continuing Education USPS 024-108 (Volume 18, Number 1) class schedule is published 4 times per year (one in February, one in May, one in August, and one in November). The SCC Continuing Education class schedule is produced by the SCC Continuing Education Division, in cooperation with the SCC’s Public Information Office, 301 S. 68th Street Place, Lincoln, NE 68510. Application to mail at periodical postage rate has been approved at Lincoln, Neb. POSTMASTER: Send address changes to SCC Continuing Education, 301 S. 68th Street Place, Lincoln, NE 68510.

Health Care

CPR/Basic Life Support/First Aid

The American Heart Association strongly promotes knowledge and proficiency in all AHA courses and has developed instructional materials for this purpose. Use of these materials in an education course does not represent course sponsorship by the AHA. Any fees charged for such a course, except a portion of the fees needed for AHA course material, do not represent income to the AHA.

The AHA CPR and First Aid classes listed below include and exclude different skills. Please make sure you have fulfilled the course prerequisites and the class meets the requirements from your employer, licensing agency, or school. Cost includes book and card, where applicable. Students will receive the online AHA access key and email approximately one week prior to your Skills Session class.

Keyword: Aid

Heartsaver® First Aid Online + Skills Session
This AHA Heartsaver® First Aid course is offered in a convenient online format you can take in the comfort of your home. You only need to meet in person once for the skills session after you complete the online portion of the class.

You will receive the online AHA access key and email approximately one week prior to your Skills Session class.

Keyword: CPR

Heartsaver® CPR AED (Community)
Have you always wanted to know how to perform CPR and use an AED in an emergency situation? Take this training and walk away with CPR and AED skills needed to assist adults, children and infants.

This class meets the CPR AED requirements for day cares.

Payment is due at time of registration for all non-credit classes.

Payment is due at time of registration for all non-credit classes.
CPR HeartCode® Basic Life Support (for Health Care Professionals)

Sign up for this CPR BLS training, and learn all that you need to know in performing CPR and using an AED and responding to foreign-body airway obstruction.

Course cost does not include BLS Provider Manual. You may purchase the manual through the AHA website or the SCC Campus Store. The book is NOT required.

0.45 CEUs This course is for health care providers: nurses, EMTs, doctors, lifeguards, etc.  

Keyword: CPR

CPR - HeartCode® Basic Life Support Online + Skills Session (for Health Care Professionals)

Need your professional certification in AHA CPR Basic Life Support and want a convenient way of getting it? This online class is for you! You will only need to meet in person once for the Skills Session after you complete the online portion of the class.

You will receive the online AHA access key and email approximately one week prior to your Skills Session class.

Once you’ve completed the online portion, you will print your AHA Online Course Completion Certificate. For admission into the Skill Session, you must have this certificate with you.

This course is for health care providers: nurses, EMTs, doctors, lifeguards, etc. 

Keyword: CPR

EMT Refresher

This EMT Refresher 20-hour course meets the National Registry and state requirements for renewal.

This course is scheduled based on community needs. For more information, contact Jennifer Keitges at jkeitges@southeast.edu or 402-437-2706.

EMS Instructor Course

This 48-hour EMS Instructor Course focuses on the methodologies of preparation, presentation and evaluation in the classroom. Upon completion of this course the student will develop a topic for presentation using appropriate methods and tools.

To become a Nebraska licensed EMS Instructor, you are required to have a valid EMT license or higher for a minimum of three years. Required book is available at SCC Campus Store at 8800 O St., or online at www.sccbookstore.com.

EMT Training

Needing Additional Skills for EMT? These classes are for you. Aspirin administration, epinephrine auto-injector, non-visualized advanced airway management, continuous positive airway pressure, glucometer, intravenous fluid monitoring only, peripheral intravenous access and monitoring and albuterol nebulizer and epinephrine auto-injector administration course.

This course is scheduled based on community needs. For more information, contact Jennifer Keitges at 402-437-2706 or jkeitges@southeast.edu.

Paramedic Refresher

Are you needing your continuing education for renewal? This course will give you all that you need. It meets the NCCR Course Requirements for NREMT Paramedic Renewal.

This course is scheduled based on community needs. For more information, contact Jennifer Keitges at 402-437-2706 or jkeitges@southeast.edu.

EMT Medical/Trauma Assessment Scenarios

Students will participate in hands-on assessment scenarios followed by a debriefing of the pathophysiology of the patient’s condition.

For more information, contact Jennifer Keitges at jkeitges@southeast.edu or 402-437-2706.

Space is limited. Register today!
Health Care Providers CEUs
Southeast Community College is an approved provider of nursing continuing professional development by Midwest Multistate Division, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

For a full list of continuing education courses, please visit http://bit.ly/cenursingprofessionals. For questions, email continuinged@southeast.edu.

RN/LPN Refresher
Do you want to get back into nursing and need to reinstate or reactive your RN or LPN License? This class is meets the requirements for a refresher course as outlined by the Nebraska Board of Nursing. This course updates the nurse’s knowledge and clinical skills required for the delivery of professional nursing care in today’s health care system. This course provides interactive learning experiences that enable you to expand knowledge and skills as you prepare for reentry into nursing practice.

This course consists of 60 contact hours of online learning and 90 hours of skills/lab and clinical work is required. It will run approximately 16 weeks. To use this course to reinstate your nursing license, you must successfully complete the lecture, lab and clinical portions of the course. It will include the mandatory eight-hour IV training that all LPNs are required to have.

Abuse & Neglect Prevention for Nursing Assistants
Do you need the Abuse & Neglect Prevention course to be placed on the Nebraska Nurse Aide Registry? Register for this course at any time and take it in the comfort of your own home.

(1.0 CEU) Once you have completed the one-hour online in-service, the state is notified by email that you have completed the course. NOTE: For successful completion, you must spend an hour online and get 100% on the quiz which is over the material you have read and the videos you have watched. You can take the quiz as many times as needed. To register and pay, go to http://bit.ly/RegisterCE.

Keyword: Abuse
Payment is due at time of registration for all non-credit classes. Space is limited. Register today!

Intravenous Therapy: Current Standards of Practice 1 & 2
ATTENTION LPNs: If you graduated before May 2016 or have not successfully completed the LPNC course, you must complete an approved eight-hour didactic course on IV therapy by August 2022! RNs are welcome to take these classes, also.

Intravenous Therapy: Current Standards of Practice 1 (Online Course)
This eight-hour course meets the requirement for all LPNs. Topics covered will be legal aspects of IV therapy, peripheral IVs and central lines. You can work at your own pace in the comfort of your own home with several weeks to finish this class.

(8.0 contact hours) You must have access to a computer and the internet. Certificates will be mailed to all who have successfully completed the course after the last day of class.

Keyword: Therapy

Intravenous Therapy: Current Standards of Practice 2 Skills (Hybrid Course)
Prerequisite: You must take SCC’s Intravenous Therapy: Current Standards of Practice 1 course before or at the same time as this course or provide proof of completion of a similar course. This eight-hour course includes both online and face-to-face components. Successful completion of this course will meet the eight contact hours of IV therapy skills requirement for LPNs who wish to practice IV therapy.

(8.0 contact hours) You must have access to a computer and the internet. The hands-on skills portion of this course will occur on Saturday listed. To successfully complete this course, you must complete the online component and attend a four-hour lab session, certificates will be mailed after the last day of class.

Keyword: Therapy

**Manufacturing**

**Basic Precision Machining**

This course uses a practical approach to basic machining, including proper speed, feed rates and machine setups of lathes, mills and grinders.

(2.4 CEUs) Participants must bring their own safety glasses, calculator and materials for taking notes. No shorts or open-toed shoes allowed. No outside projects are used in class. In the course, each student will make the designated class project. To ensure student success and ability to observe safety protocol, ESL Level 8 or higher is recommended. If English is not your first language, please visit with the PMA program director. Improper operations of industrial duty equipment may result in personal injury, harm to others, or damage machine components. **Gap Assistance program is available to those who qualify.** For more information, visit www.southeast.edu/gap.

**Advanced Precision Machining**

Prerequisite: Students desiring to enroll must be currently enrolled in, or have graduated from the SCC Precision Machining and Automation program. All others must get permission from the PMA program director before enrolling.

This is a machine shop class designed to enhance individual skills. Students work on their own projects brought from home. Projects also can be supplied by the College to further help student development.

All projects must be approved by the Precision Machining and Automation Technology program director. Operation of CNC equipment by persons who are not currently enrolled in the PMA program is not permitted without a review of the individual’s ability, which will be conducted by the PMA program director or designated instructor. Students must bring their own safety glasses. No shorts or open-toed shoes allowed. To ensure student success and ability to observe safety protocol, ESL Level 8 or higher is recommended. If English is not your first language, please visit the PMA program director. Improper operations of industrial duty equipment may result in personal injury, harm to others, or damage machine components.

GETTING STARTED

INTRODUCTORY CLASSES

One-on-One Computer Training: 3 Hours
Three hours of personalized instruction on the computer topic that meets your need! Training is scheduled at an SCC facility at a time convenient for you and the instructor. Instructors are available for, but not limited to, the following topics: Windows, MS Office, Word, Excel, Access, Outlook, QuickBooks, social media, basic computer assistance, etc. Instructors are available for, but not limited to, the following topics: Windows, MS Office, Word, Excel, Access, Outlook, QuickBooks, social media, basic computer assistance, etc. 

Basic Computer
Begin learning computer terminology necessary in the 21st Century. You will learn how to use the internet, email and word processing and spreadsheet applications. No experience needed! Students need to have computer access to practice outside of class.

Windows 10
Welcome to Windows 10! Join us to learn more about Microsoft's newest operating system.

Let's Do Lunch: Exploring Apps (Workplace Skills)
See page 28 for more information.

Passwords, Logins, IDs, OH MY!
See page 9 for more information.

CATEGORIES FOR SENIORS

Introduction to Personal Computers for the Senior Citizen I
This class is open to anyone looking to learn how to use a computer at a comfortable pace. This is a hands-on course with instructor guidance. No prior computer skills needed.

Let's Do Lunch: Exploring Apps (Savvy Seniors)
See page 28 for more information.

MacINTOSH CLASSES

Mac for Beginners
This class will get you up and running on the Mac OS and understanding the basics. We will work at your pace and answer all your questions. This class is perfect if you have little to no experience with Apple computers and operating systems.

iTunes: Work It, Play It, Manage It
On iTunes you can rent or buy movies, download your favorite TV shows, and listen to music. iTunes is home to Apple music, where you can listen to millions of songs. You also can subscribe to podcasts, manage libraries, use iCloud to store your music, create playlists and download CDs.

You should have basic computer experience, but are not required to bring CDs or devices like iPod or mp3 player to class.

One-on-One Smart Device Training
Learn to set up and troubleshoot your iPhone, iPad and Android devices. Registration provides one hour of personalized instruction on the smart device that meets your specific need. Training is scheduled at an SCC facility at a time convenient for you and the instructor.

Let's Do Lunch: Exploring Apps (Workplace Skills)
See page 28 for more information.

Smartphone Basics: iPhone
You have a cool new iPhone, but how do you use it? We will teach you about icons, apps and other cool features on your smartphone! This class will be specific to iPhone users.

Bring your phone fully charged so you can practice using the phone you own. If you don't own one yet, come anyway!

Smartphone Basics: Android
You have a cool new Android, but how do you use it? We will teach you about icons, apps and other cool features on your smartphone!

This class is specific to Android users.

Bring your phone fully charged so you can practice using the phone you own. If you don't own one yet, come anyway!

Apple iPad Level 1
Are you thinking about purchasing an iPad? Or are you eager to learn how to get more out of the many features available? Either way, this course is for you!

Please bring your iPad to class if you have one. Please ensure that your iPad is fully charged and registered on Apple before the class starts. Need assistance with registering your iPad? See the following link: www.apple.com/support/ipad/getstarted/. Bring your iTunes password to class.

Tips & Tricks with Your iPhone or iPad
Take advantage of the features your iPhone or iPad offers. Messages, phone calls, camera, and other useful apps.

Any iOS device, including iPad or iPhone, purchased within the last two years and OS (operating system) updated to the most recent release. Bring your fully charged device.

My iPhone Can Do That?
Discover beyond the basics iPhone topics. Explore features you didn't even know your phone could do as you look beyond the basics with iPhone or iPad.

Any iOS device, including iPad or iPhone, purchased within the last two years and OS updated to the most recent release. Bring your fully charged device.

Payment is due at time of registration for all non-credit classes.

Long Term Care Cost Planning
Learn about the differences among the type of long-term care such as assisted living, nursing home, home health, and hospice care. Discussion will include what each type of care encompasses and approximate cost. How do people pay for this care today? Learn about insurance options available in the market and strategies used to help pay for care costs. This class will enable you to assess your individual risk of care needs, make cost estimates, and how to plan today to ensure you can pay for the care into the future.

Welcome to Medicare
Medicare can be a complicated topic. Worse yet, there is a lot of misinformation that can lead to decisions that may result in penalty and a delay of benefits. In order to avoid mistakes, you are invited to learn about the basics of Medicare and what you need to consider when you are approaching Medicare eligibility. You will be provided comprehensive information about Medicare and address these questions:
- What does Medicare cost and cover?
- When should I enroll in Medicare, and what rules do I need to know?
- What is the difference between Medicare with a supplement versus Medicare Advantage?
Nebraska SHIP will cover the cost of this course. To register for in-person or webinar presentations, please visit www.doi.ne.gov/ship. For questions, please call 402-471-2841.

In-person presentations are available on:
July 11 Th 6-8 p.m. Lincoln, CEC, Aud
Aug. 25 Th 6-8 p.m. Beatrice, AEC, Aud
Sept. 29 Th 6-8 p.m. Falls City, FCCL, 102

Webinar presentation is available on:
Aug. 18 W 6 p.m.
Sept. 20 M 6 p.m.
Oct. 19 T 6 p.m.

Navigating Medicare.gov
Medicare drug coverage is confusing. Each year Medicare drug plans can make changes to the cost and coverage you can receive. Knowing how to pick the right plan to meet your needs is important to ensure you get the best coverage at the lowest cost. Navigating Medicare.gov will arm you with the knowledge to navigate Medicare’s plan finder tool to make an informed decision. You will be provided a step-by-step guide to using Medicare.gov to address these questions:
- How much will my prescriptions cost?
- Which Medicare drug plan will cover my prescriptions?
- Where can I get the best prices for my prescriptions?
Navigating Medicare.gov is provided by Nebraska SHIP, a member of the national SHIP network and a division of the Nebraska Department of Insurance. To register for in-person or webinar presentations, please visit www.doi.ne.gov/ship. For questions, please call 402-471-2841.

Retirement Income Planning
This course equips retirees and pre-retirees with the tools necessary to navigate an uncertain landscape. Whether you’re already retired or thinking of retiring, learn how to plan your lifetime retirement income using one or many various income sources. This practical course will emphasize planning for your future in the midst of uncertain times. We’ll be learning lessons from history and discovering important aspects of our current financial climate.

Photo Manipulation using software.

Digital operations, hardware options and photography along with more sophisticated use as we review the basic principles of imagination.

You will gain greater proficiency.

Digital Photography

memes, GIFs, graphic designs, and a host adjusting color, cropping, resizing, creating vignetting/shading, layers and masks, same capabilities but without the high price alternative to Photoshop with many of the powerful tools for adjusting color, lighting. The only limit is your creativity.

Discover GNU photo manipulation program (GIMP), a robust tool for photo editing and creating digital art. This open-source software is absolutely free. Download the software at www.gimp.org/downloads by clicking on "Download GIMP 2.10.22 directly."

Digital Photography

You will gain greater proficiency in your photography and camera use as we review the basic principles of photography along with more sophisticated digital operations, hardware options and software.

Digitizing Memories

Do you have envelopes full of negatives and slides or boxes of photos? Discover how to preserve these in a more organized form by scanning them. We will look at scanning techniques and some of the devices to make scanning easy to do. Discussion will involve the software necessary to scan your negatives, slides and photos and look at the software "VueScan;"

Photography with Your Mobile Device

Photography using your phone or tablet is the focus of this class. Techniques in photography, useful apps for photography and editing, along with super handy gadgets for your cell or tablet, will be explored. Before the first class, download Snapseed for photo processing on your device. Snapseed is free. Have your mobile device handy as you log into this Zoom class from your desktop or laptop.

Photography I

Discover the craft and creativity of photography in this beginning class. Learn to use your digital camera with basic principles such as exposure, metering modes, shutter speeds, aperture and depth of field, focal length, and more.

Bring a camera with exposure controls to class.

Photography II

Continue your exploration of photography with the intermediate class. More complex techniques and concepts will be addressed and weekly assignments given. Your work will be critiqued in a fun and positive manner. Bring your camera to class.

Photography III

This is a continuation of Photography II with an emphasis on photographing people and the use of electronic flash. Flash techniques such as direct, slow-sync and fill-in and other lighting concepts will be taught.

Photography IV

Photography IV focuses on a project of the student’s choice. This advanced photography class will continue the weekly critiques, and a presentation and exhibition of student’s work also will be addressed.

Scrapfest / Friday Night Crop / Pictures Galore, Organizing & More!

See page 15 for more information.

Photography

NEW! Photo Manipulation using GNU (GIMP)

Discover GNU photo manipulation program (GIMP), a robust tool to Photoshop with many of the same capabilities but without the high price tag! **Lincoln Drive Lab Schedule**

**Sections beginning Aug. 2:** Drive lab meets two hours every day Monday through Saturday for the same week as the lectures. Starting times offered are 7:15 a.m., 9:30 a.m., noon, 2:15 p.m., or 4:30 p.m.

**Sections beginning Sept. 14:** Drive lab meets two hours once a week for six weeks, Monday through Friday with a starting time of 3:30 p.m. or 5:45 p.m., or Saturday starting at 8 a.m., 10:15 a.m., 1 p.m., or 3:15 p.m. The student could possibly attend the first drive lab before the first lecture meets. The drive lab continues one week past the completion of lecture.

**Traffic Safety & Licensing**

**Driver Education Instructor Training**

Prerequisite: Must be at least 21 years of age, have a high school diploma or equivalent, valid operator’s license held in state of residence for two consecutive years, clean driving record (for the prior five years), the instructor candidate must have no violation on record for which five or more points might be assessed, including probation or other situations in which no points were actually assessed for the violation. You must have no suspensions or revocations on record within the last five years, including no convictions for DWI or any related alcohol or drug offense in connection with motor vehicle use. DMV Title 247.

This is a Department of Motor Vehicles-approved course for the certification of instructor to teach driver education in a non-credit format. Focus is on fundamental driver education, curriculum development and presentation skills. The intent of this class is for those individuals who want to teach outside the K-12 system.

VISIT SCC VIRTUALLY!

The virtual campus tour is an opportunity to see our campuses and learn more about our programs of study as you explore what SCC has to offer! After viewing the virtual tour, we encourage you to schedule an individual campus visit—either in person or virtually—for a personalized experience!

Check out our campuses at www.southeast.edu/visitscc

Space is limited. Register today!

LOCATION KEY is on page 37.
Smart Drivers!
This is an eight-hour comprehensive course applying fundamental traffic laws and increasing driver awareness. Nebraska state law requires that driver improvement classes are eight hours.

(0.8 CEUs) This class is approved by the Department of Motor Vehicles and can be applied toward: under-age 21, six-point accumulation, reinstatement of point revocation, employment driving permit, two-point credit to driving record. Participants will NOT be admitted into class 15 minutes after the scheduled start time or later. Participants must provide driver’s license number at class.

Motorcycle Safety: Beginning Riders Course
Prerequisites: You must be at least 16 and able to balance and ride a bicycle. If you are age 16 and 17, a waiver must be signed by a parent or guardian. Failure to provide will disqualify participation in class, and a refund will not be available.

This 18-hour course is intended for beginning riders 16 years and older and is designed to teach safe motorcycle operation.

(1.8 CEUs) Approximately three weeks before the start date of the course, an email and letter will be sent with instructions on how to access the eCourse. The eCourse is to be successfully completed one week prior to the start of the Friday evening classroom session. You must successfully complete the online eCourse and the written and driving exams to receive documentation for the motorcycle endorsement. You will provide your own protective riding apparel, including Department of Transportation-approved helmet and eye protection, over-the-ankle footwear, long-sleeve shirt or jacket, long non-flare denim pants or equivalent, and full-fingered gloves, preferably leather.

◆ Class is held on Friday from 8:30 a.m. to 4:30 p.m., Saturday from 7 a.m. to 3:30 p.m. and Sunday from 7 a.m. to noon.
◆ Class is held on Friday from 6:30 p.m. to 8:30 p.m., Saturday from 8 a.m. to 4:30 p.m. and Sunday from 8 a.m. to 1 p.m.

Are you needing to complete pre-requisite classes to be admitted to a program in the SCC Health division?
Are you a high school student who would like to complete college General Education credit classes?

Motorcycle Safety: Beginning Riders Course
Motorcycle Safety:

Are you thinking of starting college?

Are you needing to complete General Education classes for an SCC program or at another college?

Credit classes are delivered via technology to the Learning Center classrooms. Students are able to participate in the class like any student in the originating classroom. Each class offered at the Learning Centers meets the requirement at SCC for general education classes for an Associate degree and/or a prerequisite class for a Health program. Check with your academic advisor on your degree plan.

Do you want to take a credit class that isn’t scheduled for your Learning Center?

SCC received a USDA rural development grant which included robots. The robots enable students in the Learning Center service area to attend class on one of the SCC campuses via robot. The student would initially be in the Learning Center to operate the robot, which would be driven from its campus home to the class. The robot is operated by the student via a computer using a few keys. The robots being used are from Double Robot. Contact your Learning Center staff if you would like to register to take a class by robot.

For Credit Class Schedule, visit www.southeast.edu/classschedules.

**4 Easy Ways to Register!**

**Register ONLINE Using WebAdvisor**
1. You must have an email account in order to register online.
3. Search for Classes (Use the key word at the end of the description)
4. Register for Classes
5. Pay for Classes
   a. You will not be officially registered until you submit your payment.
   b. You will see a confirmation screen. Print this for your records.

**Register by FAX or MAIL**
1. Complete the non-credit registration form. (Please Print) then either...
2. FAX the registration form with credit card number or letter of authorization to 402-437-2703
   OR
3. MAIL the registration form with payment or letter of authorization to: Southeast Community College, Continuing Education, 301 S. 68th St. Place, Lincoln, NE 68510-2449

**Register IN PERSON**
WALK-IN to the Jack J. Huck Continuing Education Center Monday-Thursday, 7:30 a.m.-7:30 p.m.; Friday, 7:30 a.m.-5 p.m.; Saturday, 7:30-11:30 a.m.; SCC campuses and Learning Center locations during business hours.

---

**Cancellation/Refund Policy**
SCC reserves the right to cancel any credit/non-credit classes that do not have sufficient enrollment. A full refund will be processed and you are not required to submit a drop form.

The student is entitled to a 100% refund for any non-credit class if the class is dropped the day before class begins. If a student drops a class the day class begins or after, there will be no refund.

For Credit Classes cancellation/refund policy, visit www.southeast.edu/withdrawal-refunds-returns.

Failure to attend classes does not constitute a drop or withdrawal. “No Show” students will be billed and held responsible for full payment of the tuition and fees for the classes they are registered for because the “no show” student did not drop the class online using Web Advisor or with an “Official Drop/Add Form For Classes” within the designated refund period.

---

**Confirmands**
All registered students must report to the first class session unless you are notified by the College that the class is full or has been cancelled. Paper confirmations are not mailed. When registering online, print the last page of your records.

---

**General College Policies**

**ADA Reasonable Accommodations**
SCC provides services and reasonable accommodations to allow persons with disabilities to participate in educational programs and other activities. For information on requesting ADA reasonable accommodations, contact the SCC Area Access/Equity/Diversity Office.

**Social Security Number**
The College requests, but does not require, a student to provide their Social Security number during the admissions process. Students who do not provide a Social Security number during the admissions process will be required to provide one for Federal Student Aid.

Students who do not have a Social Security number or Tax Identification Number are eligible to take classes and be admitted to a Program of Study; however, students should be aware that they may not be able to complete specific courses.

A student’s Social Security number information constitutes an “educational record” under FERPA. The College will be privileged to re-disclose that information only with the consent of the student or in those very limited circumstances when consent is not required by FERPA. Questions regarding Social Security or tax ID numbers should be directed to the campus Registration and Records Office.

**FERPA**
SCC has developed policies and procedures in compliance with the Family Educational Rights and Privacy Act (FERPA) of 1974. The rights accorded students shall apply to all students 18 years of age or older, or no longer dependent upon their parents; students in a postsecondary education program, regardless of their age; and parents of eligible dependent students. All requests for student records and information must be in writing and directed to the campus Student Services Office. Questions relating to the release of records and information should be directed to the campus Student Services Office.

*Use of Photographs: For more information, visit www.southeast.edu/collegenoty.*

---

**Accredited by the Higher Learning Commission.**
Board of Governors: Chairman: Kathy Boellestorff, Johnson; Vice Chairman: James J. Garver, Lincoln; Secretary: Nancy A. Seim, Lincoln; Treasurer: Dale Kruse, Beatrice; Chuck Byers, McCool Junction; Keith Hammons, Weeping Water; Edward C. Price, Lincoln; Neal Steenberg, Lincoln; Arlyn Uhrmacher, Lincoln; Ellen Weisinger, Lincoln; Kristin Yates, Lincoln; Linda Hartman, Faculty Representative, Lincoln (rev. March 2021)

---

**NOTE: The language of instruction at SCC is English. Outside of foreign language classes, classes at SCC are conducted in English. All prospective students should be sufficiently proficient in English to a) complete any initial assessment requirements (e.g., COMPASS, ASSET, TOEFL); b) benefit from and fully participate in the instructional process; and c) understand any safety requirements/alerts/directives related to classroom participation and/or safe use of machinery/equipment related to the class.**
Complete this form with payment information and send via mail to Southeast Community College, Continuing Education, 301 S. 68th St. Place, Lincoln, NE 68510 OR FAX to 402-437-2703

The College requests, but does not require, a student provide their Social Security number during the admissions process. Visit www.southeast.edu/collegecatalog for additional information.
