

## Breastfeeding Education for Providers Creating a Network of Support for Families

This interactive course is designed as an in-depth introduction for providers who work with parents and babies. The content focuses on infant nutrition from a psychosocial perspective with a goal of helping participants improve their comfort level and provide accurate breastfeeding information and compassionate support.

The course consists of 15 contact hours in a live, small-group (8-12 participants) Zoom setting offered in three-hour segments over three weeks. You must have access to a computer with video and voice and be able to follow a PowerPoint document on your screen.

Past participants have identified this course as an empowering, engaging opportunity to learn new skills that can be applied in a variety of settings that serve families. The instructor has a long and broad maternal child health background in education, advocacy, and clinical skills.

### Topics include:

- Basic breastfeeding techniques
- Problem-solving skills
- Counseling skills
- Connecting parents to community resources

**Instructor: Ann Seacrest** brings 35 years of experience as a certified childbirth educator, certified doula and doula teacher, hospital-based postpartum and lactation nurse, co-founder of MilkWorks, and clinical IBCLC. The curriculum is based on educational and clinical protocols developed by Kathy Leeper, MD, a nationally known breastfeeding medicine specialist and Fellow in the Academy of Breastfeeding Medicine.
