

2021-2022 Dependency Override

Student Name: _____ SCC SID: _____

This form is for dependent students who do not meet the federal criteria for “independent” status, but wish to have their unique circumstances reviewed in order to be considered an independent student.

Students who are estranged from their parents due to extreme circumstances which can be documented by an objective third party (social service agency, pastor, and/or counselor) may qualify for special treatment. An example of extreme circumstances is a student’s voluntary or involuntary removal from their parents’ home due to an extreme situation that threatened the student’s health and/or safety, and due to these conditions, parental support was terminated.

Self-sufficiency of the student, or the parental unwillingness to financially contribute to a student’s education, is not sufficient reason for a dependency override.

To be considered for a Dependency Override:

- Complete a FAFSA (Free Application for Federal Student Aid) online at <https://studentaid.gov>
- Submit a signed detailed letter explaining why you should be considered independent for financial aid purposes. Describe the circumstances of the separation from your parent(s) and the current status of your relationship with them. The information you provide will be kept confidential.
- Submit a signed letter from a professional adult to verify the family circumstances you described in your personal statement. The letter must be signed, dated, and on his/her company letterhead and include his/her contact information. Professional adults include, but are not limited to: guidance counselors, doctors, family counselors, mental health professionals, and law enforcement officers.
