NEW! Travel Photography
Do you return home from your travels and find that you are disappointed in the pictures you have taken? Let’s explore different ways to make your photographs tell the story and have an impact on the viewer. We also will talk about different ways to show your vacation pictures, such as slide shows or coffee table books that you can be proud of for years to come.

Let’s Make Photographs Instead of Snapshots
We will explore how you can take better pictures and become more creative with your photography. We will discuss the different modes of your camera and how to use them for different photographic opportunities. Whether you use a cell phone or a camera with interchangeable lenses, learn to take those “wow” photographs instead of just snapshots.

Bring your camera and instruction manual.

Digitizing Memories
Do you have envelopes full of negatives and slides or boxes of photos? Discover how to preserve these in a more organized form by scanning them. We will look at scanning techniques and some of the devices to make scanning easy. Discussion will involve the software necessary to scan your negatives, slides and photos and look at the software “VueScan.”

Photography with Your Mobile Device
Photography using your phone or tablet is the focus of this class. Techniques in photography, useful apps for photography and editing, along with super-handy gadgets for your cell or tablet, will be explored.

Before the first class, download Snapseed for photo processing on your device. Snapseed is free. Have your mobile device handy as you log into this Zoom class from your desktop or laptop.
