This material was developed [in part] under grant number 6 M01HP42518-01-01 from the Health Resources and Services Administration, Department of Health and Human Services. The views, policies, and opinions expressed are those of the authors and do not necessarily reflect those of Health Resources and Services Administration and the Department of Health and Human Services.

SCC requires criminal background checks and drug test on students taking courses that include experience in patient care settings. At the beginning of class you will be required to complete an "Authorization and Disclosure Form" and "Abuse Registry Form." A fee of \$45 for the criminal background check has been included in the cost of the course. If your criminal background check indicates that you have a criminal history, you may be prohibited from participating in the course.
