The Path to Resilience

Harness your inner strength and come back stronger in the face of adversity. Resilience gives you the ability to rebound from a setback or challenge, such as a pandemic, job loss, illness, natural disaster or death of a loved one. This class will help you develop a personal strategy to enhance your resilience, giving you the ability to see past difficult events, find enjoyment in life and how to better handle stress.

A certificate of professional development and 0.7 CEUs will be awarded for successfully completing this class.

Critical Thinking in Today's Workplace

The power to comprehend, analyze and evaluate affects the quality of your life and is integral to all that you do. This course will examine the role and challenges of critical thinking at work, spotlight wicked obstacles to your thinking and fallacies that can derail you. Learn how to develop your critical-thinking skills so you can spot flaws in arguments that others accept; find solutions where others only see problems; clearly articulate your position; make quicker informed decisions; and take a confident stand for yourself.

A certificate of professional development and 0.6 CEUs will be awarded for successfully completing this class.

Emotional Intelligence: The Foundation of Lifelong Success

Emotional intelligence is the ability to be aware of and manage emotions and relationships. It's a pivotal factor in personal and professional success. IQ will get you in the door, but it is your EQ, your ability to connect with others and manage the emotions of yourself and others, that will determine how successful you are in life. This one-day course is designed to help you master the basic concepts and techniques of this critical skill.

A certificate of professional development and 0.7 CEUs will be awarded for successfully completing this class. One hour for lunch on your own.
