Woodshop Open Workshop

Prerequisite: Some experience with power and hand tools
Have you ever dreamt of owning a laser cutter, planer, computer pneumatic controlled router, large sander, or a door machine, but can't justify the cost for your woodworking hobby? You will have access to some amazing woodworking equipment and an experienced instructor to guide you during these open workshop sessions.

Your self-selected project needs to be one that can reasonably be finished within the six-week timeframe. You will supply your own materials.

Just Google It!

You can use the internet to find many things: What kind of bird is in my backyard? How do I change the font size on my phone? We live in the Information age, but it requires some skill to access the specific information you need. You will practice different methods in finding the answers to your questions on the internet.
