### Long Term Care Cost Planning

Learn more during this class about the differences among the type of long-term care such as assisted living, nursing home, home health, and hospice care. Discussion will include what each type of care encompasses and approximate cost. How do people pay for this care today? Learn about insurance options available in the market and strategies used to help pay for care costs. This class will enable students to assess their individual risk of care needs, make cost estimates, and how to plan today to ensure they can pay for the care into the future.
