

**Fall 2022 – Registration open from 4/4/22 – 8/23/22**

## **HIGH SCHOOL CLASSES**

Southeast Community College offers dual-credit classes so that high school students can earn college credit while still in high school.

### **SENCAP/DUAL-CREDIT**

Southeast Nebraska Career Academy Partnership is the Career Academy Pathway opportunity for high school juniors and seniors in **Southeast Community College's 15-county service area**. Classes are dual-credit, earning both high school and college credit at the same time.

For more information visit [www.southeast.edu/sencap/](http://www.southeast.edu/sencap/)

To enroll in SENCAP/Dual-credit classes, students in our 15-county service area must:

- be in good academic standing
- be a Junior or Senior in high school
- receive permission from your high school
- complete the SENCAP/DC Advantage application form, registration form and course prerequisites

All SENCAP or DC advantage high school program classes are dual-credit, and taught by dual-credit certified instructors.

### **DUAL-CREDIT SCHOLARSHIP INFORMATION**

SCC offers a tuition remission scholarship for all dual-credit SENCAP classes.

*The "Dual-Credit Scholarship" is only available for:*

- a. Students who are in SCC's 15-county service area and/or are associated with a high school in the SCC 15-county service area that have a signed Memorandum of Understanding in place.
- b. Students who are enrolled in a school that offers DC Advantage, SENCAP or TCA Career Pathways that have a signed MOU in place.

*The "Dual-Credit Scholarship" covers:*

- a. 50% tuition waiver
- b. 50% fee waiver

(The remaining half will be paid for by either the student or the K-12 school depending on available funding.)

Some pathways/courses for Health, Construction and Energy may have additional fees, not covered in the scholarship, which will pay for additional tools, course materials, state testing, and background checks.

The purchasing of textbooks is the responsibility of the student. Textbooks may be purchased at

<http://sccbookstore.com>

All SENCAP or DC Advantage high school program classes are dual-credit and are taught by dual-credit certified instructors.

## **LPS Students**

LPS & SCC have a partnership allowing LPS students to take dual credit classes at their school with a teacher who is dual credit certified and offers their class dual credit, or they can take classes on their own time, online. Each option earns the student high school and college credit for 1 class. For a list of classes offered, please see the course listings below.

To become eligible for dual credit classes, complete the Dual Credit/SENCAP Application:

<https://www.southeast.edu/applynow/>.

Once complete, within 2 business days, you will receive an email with your SCC ID#. Use that email to help you log into THE HUB where you can register for your course(s). Registration video & instructions:

<https://www.southeast.edu/register-online-instructions/>

Earn a "C" or better and many colleges/universities will accept the credit. Learn how credits will transfer: <https://www.southeast.edu/transfer-information/>, check your specific class:

<https://www.transferology.com/index.htm>. Request your transcript:

<https://www.southeast.edu/requestatranscript/>.

For additional questions, please contact the SCC/LPS Dual Credit coordinator:
