Summer 2022

Basic Precision Machining

This course uses a practical approach to basic machining, including proper speed, feed rates and machine setups of lathes, mills and grinders.

(2.4 CEUs) Participants must bring their own safety glasses, calculator and materials for taking notes. No shorts or opened-toed shoes allowed. No outside projects are used in class. In the course, each student will make the designated class project. To ensure student success and ability to observe safety protocol, ESL Level 8 or higher is recommended. If English is not your first language, please visit with the Precision Machining Automation program director. Improper operations of industrial duty equipment may result in personal injury, harm to others, or damage to machine components. **Gap Assistance (financial) is available to those who qualify.** For more information, visit www.southeast.edu/gap.

Advanced Precision Machining

Prerequisite: Students desiring to enroll must be currently enrolled in, or have graduated from the SCC Precision Machining and Automation program. All others must get permission from the PMA program director (ktaylor@southeast.edu) before enrolling.

This is a machine shop class designed to enhance individual skills. Students work on their own projects brought from home. Projects also can be supplied by the College to further help student development. There are no project completion requirements. Instructor assistance is available.

All projects must be approved by the PMA program director. Operation of CNC equipment by persons who are not currently enrolled in the PMA program is not permitted without a review of the individual's ability, which will be conducted by the PMA program director or designated instructor. Students must bring their own safety glasses. No shorts or open-toed shoes allowed. To ensure student success and ability to observe safety protocol, ESL Level 8 or higher is recommended. If English is not your first language, please visit with the PMA program director. Improper operations of industrial duty equipment may result in personal injury, harm to others, or damage to machine components. **Gap Assistance (financial) is available to those who qualify.** For more information, visit www.southeast.edu/gap.
