Forklift Operator: Terrain

This course is for all operators focused on Class 7 - Rough Terrain Lift Trucks. Rough terrain forklifts are fitted with large floatation tires for outdoor use on difficult surfaces. They are often used at construction sites to transport and lift building materials to various job site locations. They also are common with lumber yards and auto recyclers. This course includes pre-start inspections and function test of operator controls, design restrictions, lifting, moving, and placing loads, driving speeds, directions, and ramps.

(0.5 CEUs) You are required to purchase the response workbook prior to class online at sccbookstore.com or at the SCC Milford Campus Store, 600 State St., Milford. You will be required to pass a theory examination and demonstrate lift truck operation performance skills during the course. Certificate will be given following successful completion of course requirements.
