Dual Enrollment Registration 2022-23 Academic Year

Issued August 2022

Information in this Guide is subject to change according to SCC Policies and Procedures.

Fall Semester 2022

Registration begins April 4, 2022 and should be completed no later than August 26, 2022.

Spring Semester 2023

Registration begins October 31, 2022 and should be completed no later than January 13, 2023.

Registration assistance – Please contact Katie Robinson at TCA or your assigned SENCAP/DC Advantage Coordinator [DC Advantage and SENCAP Coordinators | Southeast Community College](#)

Late registration for 16 week and year-long classes (only):

- Can still be done online during week one of the term. No special permission needed.
- During week two of the term, use a drop/add form signed by the student and secure permission from the instructor for the late add (signature on drop/add form).
- During week three of the term, use a drop/add form signed by the student and secure permission from the instructor and the Dean (or Associate Dean).

Late registration for 8 week classes:

- Online registration closes on day two of the term (August 23, 2022).
- During days 3, 4, and 5, use a drop/add form signed by the student and secure permission from the instructor for the late add (signature on drop/add form).
- After day 5, use a drop/add form signed by the student and secure permission from the instructor and the Dean (or Associate Dean).

***Registering close to the deadline? Remember to allow enough time for applications and pre-req documentation (HS transcripts, ACT scores, and/or Accuplacer scores) to be processed (if applicable) to still register online by the deadline. Plan on submitting a minimum of two full business days before the last day to register online. Due to high volume, additional time would be appreciated.**

FLOW CHART OF DUAL CREDIT REGISTRATION PROCESS

STEP ONE: SCC APPLICATION

- The student should apply only one time to take dual credit classes.
- If they've taken dual credit classes with SCC before, there is no need to apply again.
- For new applications, select the SENCAP or The Career Academy application at [this link](#).
- If the student has applied and/or taken dual credit classes in the past, proceed to Step Two.
- Additional information about applications can be found on Page 3 of this Resource Guide.
- Allow 1-2 business days after a new application is submitted online before proceeding with the remaining steps.

STEP TWO: USERNAME AND PASSWORD

- Student will receive an email with information about username, password, and logging in to the SCC systems. The email comes from HelpDesk@southeast.edu.
- That email is sent to the email address the student put on their application.
- Student should keep SCC ID#, password, and username for future reference.
- If IT support is needed for log-in, see information in the email for contact information.
- A copy of that email is at the end of this Resource Guide.

STEP THREE: RESOLVE ANY POSSIBLE BARRIERS TO REGISTRATION

Accounts Receivable hold:

- The account balance needs to be paid before student can register.
 - Payment options: <https://www.southeast.edu/studentaccounts/>
 - Direct questions about account balance holds to mdelong@southeast.edu
- More details can be found in the Quick Facts table on page 6 of this guide.

Pre-requisites:

- Pre-requisites for classes match what is noted on the schedule, except for the classes listed on page 7 of this guide.
- Submit any necessary information to meet the pre-requisite (HS transcript, ACT, or Accuplacer scores) to Katie Robinson for TCA. SENCAP/DCA schools will send the information for pre-reqs and waivers into for processing. The assigned SENCAP/DCA coordinator can provide guidance when needed.
 - Note: you must include the class they want to qualify to take. e.g. MATH 1150 and each student's SCC ID number.
- This information will be added to the student's profile, allowing them to register online for the specific class (assuming they meet the requirement).
- The permission to register expires at the end of the registration period for the term.
- Note: this only applies to student enrollment as a dual credit student. This pre-requisite process does not apply to non-dual credit students.
- Allow 1-2 business days after submitting pre-requisite information before proceeding with remaining steps.

STEP FOUR: REGISTER ONLINE

- Step by step online registration instructions start on page 4 of this Resource Guide.
- For questions or additional support, contact Katie Robinson for TCA or the assigned SENCAP/DCA Coordinator.

APPLICATIONS

- Students only need to apply one time to take dual enrollment classes (this includes The Career Academy (TCA), SENCAP, and/or DC Advantage).
- Online applications are being used.
- SENCAP / DC Advantage students should be populated in the system and ready to register within two business days of submitting the application online.
- Due to an application review process, timelines vary for The Career Academy (TCA) students regarding when online registration becomes available after applying. Please contact Josh Jones or Katie Robinson to check on your TCA application.
- [Here is the link](#) to apply.

Dual Credit/SENCAP Application

I want to get a jump start on college while still in high school. The Southeast Nebraska Career Academy Partnership (SENCAP) and Dual Credit Advantage programs allow high school students to earn both high school and college credit while exploring career opportunities.

Apply Now

Choose this for SENCAP / DC Advantage Dual Credit

The Career Academy (TCA) Application

I am currently attending a high school in Lincoln and would like to attend The Career Academy through SCC. The Career Academy program allows high school students to earn both high school and college credit while exploring career opportunities.

Choose this for The Career Academy (TCA)

Application tips: Students need to use their LEGAL name on the application. Accuracy of information (date of birth, social security number, etc.) is very important and will avoid additional steps.

HOW TO REGISTER ONLINE

DUAL ENROLLMENT REGISTRATION ON SELF-SERVICE

- Log-in to the HUB. www.thehub.southeast.edu
- Under “Quick Links” choose “Self-Service.”

The screenshot shows the 'Catalog Advanced Search' form with several fields and options. Annotations with arrows point to specific elements:

- Advanced Search:** A button at the top left of the search area.
- Term:** A dropdown menu labeled 'Select Term'.
- Meeting Start Date / Meeting End Date:** Text input fields for dates.
- Courses And Sections:** A section containing three rows of dropdown menus for 'Subject', 'Course number', and 'Section'.
- Days Of Week:** A group of checkboxes for Sunday, Monday, Tuesday, Wednesday, Thursday, and Friday.
- Location:** A dropdown menu labeled 'Select Location'.
- Time Of Day / Time Starts by / Time Ends by:** Text input fields for time-related information.
- Course Type:** A dropdown menu labeled 'Select Course Type'.
- Search:** A blue button at the bottom right.

Annotations provide instructions for each field:

- Click the drop-down menu for “Term” and select appropriate term.
- Click the drop-down menu for “Courses and Sections” and choose appropriate course type (e.g. English)
- Enter the course number. Also enter the section number, if you have a specific section want to search.
- Select the location. “Other” = for SENCAP and DC Adv classes. “The Career Academy” = for TCA classes.
- Click on “Search.”

A list of classes will populate that fit your search. Review your options, and click "add" for the class you want to take.

WAITLISTS

If a section is full, the student will be given the option to put themselves on the waitlist for the class. When there is an opening in the class, the first student on the waitlist will be notified by email. The subject line will read "Wait listing Seats Availability." If the student receives this email they should follow the steps outlined in that email to accept their seat. This is not an automatic process; the student will still need to register. Their permission will expire in 24 hours and the next person on the waitlist will be offered the available seat.

If the student is registering for a Web class, be sure to check to see if there are other available dual enrollment sections for that class.

CHANGING SECTIONS

Students will be responsible to drop the section online that they do not wish to take, then register for the desired section online.

HOW TO DROP A CLASS ONLINE WITH COUNSELOR PERMISSION

- Class drops are done online and are the responsibility of the student. Students are encouraged to work with their high school counselor when considering a class drop.
- Check the student schedule for last date to drop with a refund and last date to drop with a "W" (withdrawal) on the record.
- Log in to The Hub.
- Select **WebAdvisor for Students**
- Select **Student Registration**
- Select **Register & Drop Sections**
- **Check the box** in front of the course that needs to be dropped
- Click **Submit**
- A **Registration Results** screen will appear with the status of the class you dropped with a notation of "Dropped from this section."

DELINATION BETWEEN "HS", "AC" & "TCA" Sections

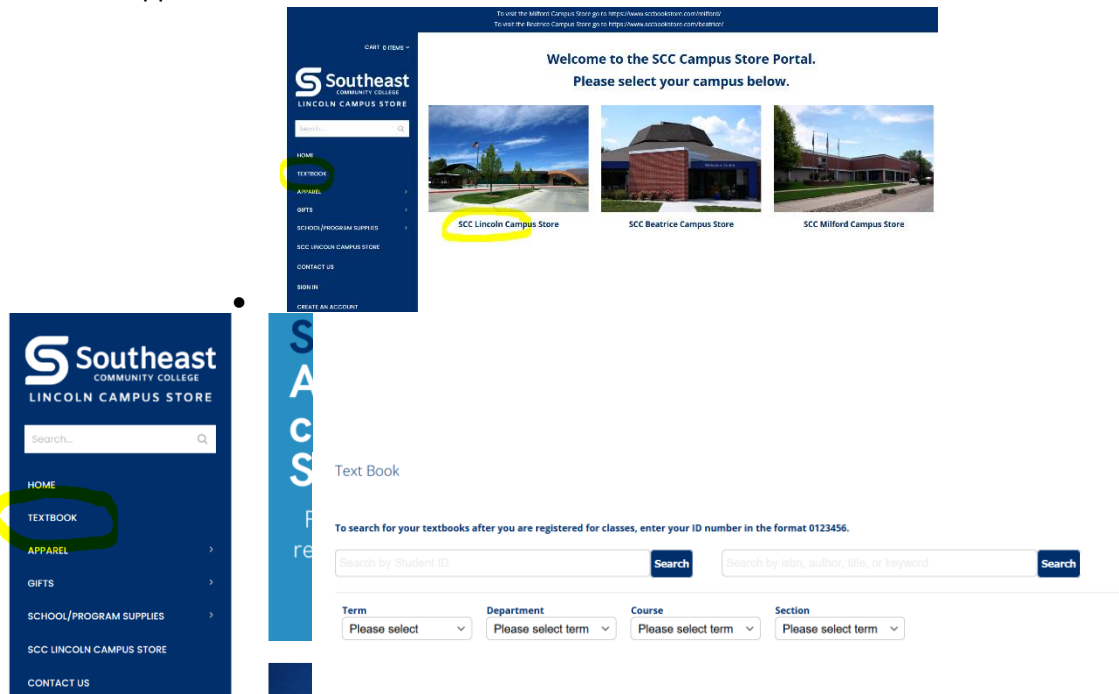

Dual Credit sections are divided by respective area. TCA class sections are for students who enroll in The Career Academy that will be attending in person at our 8800 O Street campus. HS class sections are for high school students enrolling in DC Advantage courses that the student has selected. AC class sections are for high school students enrolling in SENCAP pathway courses that are guided by the SENCAP guidebook. Depending if the course you select has TCA/DC/AC may be the difference if your school district may cover the other 50% of your tuition as well as if you will be completing the SENCAP portfolio for AC sections. Please reach out to your school district regarding their payment agreements on the other 50% of the tuition.

Textbooks

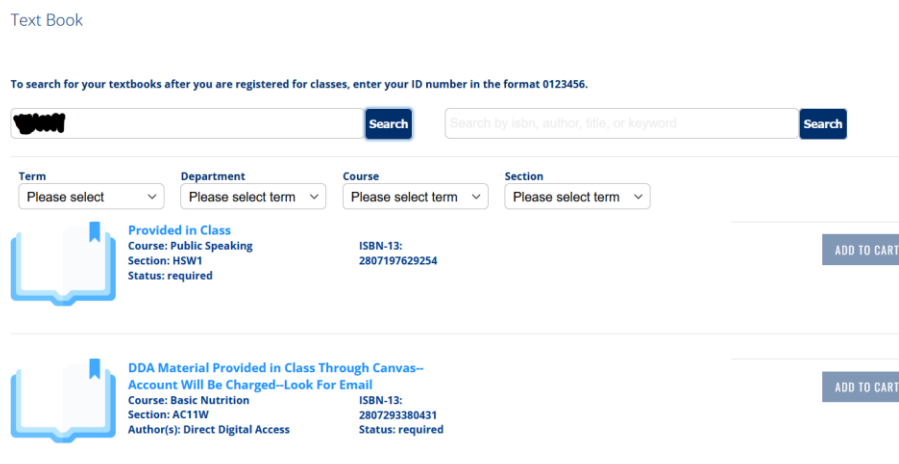

The SCC Bookstore has updated their website so students may look up their required textbooks in several ways. **Students will need their Student ID # for this process.**

Go to: <https://www.sccbookstore.com/lincoln>

- Click on SCC Lincoln Campus Store or Textbook on the left side of the navigation bar and the Textbook screen will appear.

- Students may search for textbooks with their student ID (add a **ZERO** to the beginning).
 - Here is an example of a student who is registered for Public Speaking and Basic Nutrition.
 - Both books are “provided in class” or as Digital Material available thru Canvas.

- Students may also look up using their class: Term/Dept/Course/Section

 Section

- A paper textbook may be required. There may be new or used options available thru the SCC Bookstore.
- Students are responsible for selecting and purchasing their book (unless their high school purchases books on their behalf.)
 - o See example below of a paper text book requirement.

REFUND and WITHDRAW DATES

Refund and withdraw dates for courses vary and are based on the meeting schedule of each course. Students can find applicable dates by viewing their schedule on The Hub. Web Advisor for Students > Academic Profile > My Class Schedule.

Dual Enrollment Registration Quick Facts	
Error message: "Student xxxxxx has Account Balance Hold"	Student needs to pay balance on account before they can register. Direct them to The Hub to make a payment or they can call 402-437-2669. Bills are sent to student email address they used when they applied.
Error message: Student gets pre-requisite or co-requisite message and it blocks them from registering.	Submit the required pre-requisite information (see table in this guide for how to meet the pre-requisite). SENCAP/DCA schools will send the information for pre-reqs for processing. The assigned SENCAP/DCA coordinator can provide guidance when needed. TCA – send to Katie Robinson. If this has already been submitted, has it been two full business days since it was sent in? If not, allow two business days and try again. If the pre-requisite information has been submitted, and you've allowed two full business days, but it still shows the error message: The information provided doesn't meet the pre-requisite. Contact assigned

	SENCAP/DCA Coordinator or TCA if you believe this is in error, and they will help resolve.
Error message: “You can’t place XXX (specific section) on the schedule at this time.”	This means the Registration period for this class has closed, or has not yet started.
Can’t find a year-long class on Web Advisor.	If registering for a year-long class, the student needs to select the following Spring term to locate/register for the section. e.g. If registering in August 2022 for a class that runs from August 2022 through May 2023, select the 2023SP (2023 Spring) term.
Student tries to register and gets a prompt they need to apply.	Student needs to apply at https://www.southeast.edu/applynow/ . If they have applied, make sure it’s been two or more business days for SENCAP applications before they try to register to allow time for the application to populate into the system. TCA applications take additional time to process. Contact TCA for additional information on timelines.
TCA student wants to register for a SENCAP or DC Advantage class.	Email TCA with the student name and ID# with request to add SENCAP. They will work with registration to make the addition. Wait 1-2 business days and proceed with registration.
SENCAP student wants to register for a TCA class.	Email your SENCAP/DCA Coordinator with the student name and ID# with request to add SENCAP. They will work with registration to make the addition. Wait 1-2 business days and proceed with registration.
FNDD hold blocks registration. (e.g. Pre-Foundations hold)	Contact your SENCAP/DCA Coordinator or TCA with the student name and ID # for resolution. Also share the name of the hold they encountered. They will work with registration to resolve. Wait 1-2 business days and proceed with registration.
Error message: “ACFS 1015 Req’d – See LTD”	When a student is using Learn to Dream to assist with tuition, this may occasionally / accidentally block registration. Contact your SENCAP/DCA Coordinator or TCA with the student name and ID # for resolution. Also share the name of the hold they encountered. They will work with registration to resolve. Wait 1-2 business days and proceed with registration.
Student accidentally drops a class for the current term when registering for the next term.	Send an email with details (student name, SCC ID#, and class they dropped) to Sharon Hart – shart@southeast.edu .
Student doesn’t have a social security number and they need to apply.	Secure paper application from TCA or SENCAP/DCA Coordinator <u>and</u> taxpayer ID form. Complete both and return to contact to submit to Registration office.
Switching sections of the same class.	Execute a drop and add in Web Advisor for Students on The Hub.

Sections that typically require a HS transcript, ACT scores, or Accuplacer scores to register. For SENCAP/DCA, please work with your Coordinator for SENCAP/DC Advantage to get information submitted or Katie Robinson for TCA.

If students are qualifying for a class using a dual credit class taken from another institution, please provide a transcript (unofficial or official) with a final grade for the class. A screenshot of an unofficial transcript with grade is acceptable. Send to the SENCAP/DCA Coordinator or TCA with the student name, SCC ID #, and the class they want to register to take. Or, if requesting from the National Clearinghouse, it will be sent directly to SCC, but schools will still need to send the student name, SCC ID#, and the class they want to register to take, even if the transcript is coming from the National Clearinghouse. A waiver will be built in the system to allow the student to register.

Additional information about specific test scores for course registration can be found [at this link](#).

Accuplacer (Placement Testing for Math and English)

- [Link](#) to information about scheduling a time to take the Accuplacer.
- SCC requires a course placement exam that assesses a student's math and English skills (unless submitting ACT scores or high school course for Math) prior to being admitted or enrolling in any math or English class. Accepted placement tests are include Next Generation ACCUPLACER®, ACCUPLACER®, ACT or SAT. Test scores may be reported by the testing service (ACT, SAT, etc.), listed on the high school transcript, or submitted by the student. Students may also provide an official transcript showing completion of college level coursework in English and math in lieu of test scores. SCC offers the Next Generation Accuplacer® at all Testing & Assessment Centers and Learning Centers. Testing can be set up if scheduled in advance at a high school if a group of students would like to test. Please contact one of the campuses (Beatrice, Lincoln or Milford) to set up an event. Remote testing is also available by contacting the Testing Center at lincolntestingcenter@southeast.edu to request a testing voucher. The voucher requires a webcam for the student taking the test, but does not require a proctor (it will be virtually proctored).

Registration Assistance

- SENCAP/DC Advantage: Your SENCAP/DCA Coordinator (SENCAP Coordinator list with contact information found at [DC Advantage and SENCAP Coordinators | Southeast Community College](#))
- TCA: Josh Jones, Katie Robinson, or Valerie Moser-Bergo

SCC Student Accounts (billing & payments)

- Visit the [Student Accounts webpage](#) for information about payment plans, viewing an account balance, and making a payment.
- All students with an outstanding billed balance will need to have it current or a payment plan in place in order to register for future semesters. Balances remaining unpaid at the end of the semester may result in additional collection efforts, such as placement with an outside collection agency. If you have billing questions, please contact 402-437-2669 or email studentaccounts@southeast.edu

FERPA

SCC has developed policies and procedures in compliance with the Family Educational Rights and Privacy Act (FERPA) of 1974.

Generally, students have the following rights: to inspect and review their educational records; to a hearing to challenge the contents of their records; and to receive copies of all or part of their educational records upon request.

The College will be privileged to distribute that information only with the consent of the student or in those very limited circumstances when consent is not required by FERPA. Questions regarding FERPA should be directed to the campus Registration and Records Office.

[annualnoticetostudentsandemployees.pdf \(southeast.edu\)](#)

How to request Transcripts

- Students must log into The Hub to submit their transcript request. Students who do not remember their Hub log-in, please contact the [SCC Helpdesk](#). Students who did not have a log-in to The Hub while attending SCC cannot use this method of requesting a transcript.

How to access Grades

- After the class is over, you may access your grades on WebAdvisor. Use your username and student ID to access your information.
- Grades are not mailed, students have constant access to WebAdvisor to view when needed.

'The Hub' SCC Student Portal

'The Hub' provides class information, access to on-line courses, campus announcements, financial aid information, WebAdvisor for registration and more. Your student privileges include a Southeast Community College Office 365 e-mail account. E-mail is accessible at school or at home via 'The Hub'. SCC communicates important messages to students via this college assigned e-mail address.

Online Courses

If you register for an online course, you will see a "MyCourses" tab after you log into 'The Hub'. Please click that tab to access your online courses. *Note that classes are not visible until the first day of the term. (Drivers Education and STOP classes are available upon complete registration.)* For further assistance go to <https://helpdesk.southeast.edu>.

Requirements of Dual Enrollment:

In order to participate in the Dual Enrollment Program (SENCAP & DC Advantage), students must meet the following requirements:

- 1) Be a high school junior or senior
- 2) Receive both counselor/principal and Coordinator approval
- 3) Meet requirements of course(s) you are signing up for

Classes Taught in Person at a High School

Classes can run with any number of student enrollments at a high school by a high school instructor to support student success (instructor pay will be prorated per student if below 8). Classes that are taught SWEB (via Zoom) or online with need a minimum number of 8 students to run. CNA classes are excluded from this.

Class Cancellations

Classes that are taught online, SWEB or in person may be cancelled up to the first day of the semester start. Classes are cancelled for unforeseen circumstances that may be out of SCC's purview.

Transferring Credits

Acceptance of Dual Enrollment credit is up to each college or university. It is the student's responsibility to find out how the college or university accepts the Dual Enrollment credit.

Course credits are usually accepted by area colleges and universities and by those accredited by other regional accrediting agencies. Some institutions have a policy regarding transfer of credit on their website. Students should start a file and keep course syllabi and other important information to share with their future colleges. SCC is fully accredited by the Higher Learning Commission.

The Career Academy (TCA)

TCA is a joint partnership with Lincoln Public Schools (LPS) and Southeast Community College. Enrollment priority is given to LPS students. SENCAP/DC Advantage and TCA have a partnership that allows a very limited number of students to take specific courses at TCA and this is based on availability and other factors. Please ask a SENCAP/DC Advantage Coordinator for additional information and availability.

Pre-Junior Enrollment

Students who are interested in SENCAP/TCA/Dual Credit Advantage courses must be a current high school student per SCC policy. Students who are interested in taking classes before their Junior year need to meet the following requirements before registering for a course:

- 1) 3.0 Cumulative GPA
- 2) Permission of high school principal or administrator
- 3) Must have an Accuplacer/ACT scores that meets the enrollment in either College Algebra or Composition I no matter what course the student enrolls in. No other assessment will be accepted outside of Accuplacer/ACT scores.
- 4) Must have approval from the Vice-President of Instruction at SCC.
- 5) Complete Pre-Junior Enrollment form [SENCAP/DC Advantage Permission for Enrollment - Southeast Community College](#) and return to Caleb Berg.

Changing Pathways

If a student wants to change pathways, please submit your request to Katie Robinson at TCA or to your SENCAP/DCA Coordinator ([DC Advantage and SENCAP Coordinators | Southeast Community College](#)) with your new requested pathway. The information needed will be your name, student id and new pathway to make the change.

Dual Credit Teaching Modalities

In online or SWEB modalities offered by SCC, students may have a cross-listed course with other college students. In an in-person setting, Dual Credit students may be in a room with non-Dual Credit students on SCC's three college campuses or six Learning Centers (TCA students may not be in the same room as non-Dual Credit students).

Academic Integrity

All coursework is essential to the integrity of the College and your credentials. Be mindful of your integrity as you prepare assignments and tests. Behaving in an immoral or unethical manner in the completion of your academic work is dishonest and jeopardizes your integrity, the integrity of the College and a violation of the SCC Student Code of Conduct. The core principles of integrity create a foundation for success in all of life's endeavors. Integrity in academic settings is a fundamental component of success and growth in the classroom. It prepares students for personal and professional challenges as well as providing a blueprint for future fulfillment and success. Please see more at the link [Academic Integrity | Southeast Community College](#)

Auditing a Course

If a student would like to audit a course, they may do so by following college policy. However, course audits are not applicable under SENCAP/DCA and therefore would not receive the 50% Scholarship as the goal of the Dual Credit Department is college readiness. Any interested students in a course audit would need to follow the traditional path of applying through admissions and their process.

Enrolling after the add/drop period

To support a student's success, students will only be able to enroll before the first 1/8 of classes have met. For 8 week classes, this would be Friday of the first week of classes. For 16 week and year-long classes, this would be the first two weeks of the semester.

Retroactive enrollment Dual Enrollment

Enrollment in a dual credit course is the responsibility of the student and parents/guardian. However, the dual credit instructor shall confirm enrollment on the roster verification. Additionally, the high school guidance counselor(s) and SENCAP/Dual Credit Advantage Coordinator can verify registration of courses. In order to comply with college policies and procedures as well as the Higher Learning Commission, students who do not appear on the verified roster will not receive College credit.

If a student wishes to appeal for retroactive credit, the following steps must be completed and sent (along with the add/drop form for a course) to the appropriate Dean within one year of completion of the requested retroactive credit. Student requests older than one year for retroactive credit will not be considered.

- 1) The student will write a statement requesting to be registered for a course and explaining why they didn't register during the normal registration window.
- 2) The instructor will write a statement as to why they approved their roster without the student on it.
- 3) The participating high school counselor or administration will write a statement as to why the student was missing from the roster.

All of the information above will be compiled and submitted along with a narrative from the Senior Administrative Director and Extended Learning Dean. They will be recommend with the appropriate action to the Vice President of Instruction for review and a final decision to award retroactive credit or not.

QUICK GLANCE – FERPA - RELEASE OF INFORMATION GUIDELINES

The information listed in this box is considered directory information. It can be released without permission from the student.

Student name · Major · Dates of attendance · Enrollment status (yes or no + FT or PT) · Most recent previous school attended · Degrees and awards received
 Honors and awards, including Dean’s List · Participation in official co-curricular activities · Weight and height of athletic team members
 Parking permit number and auto license number · Photograph/Video

To avoid having Directory Information released, students must submit a written request to Registration and Records within 10 classroom/business days (not including Saturdays, Sundays and holidays) after initial enrollment in the College. After the initial 10-day period, any new request for withholding of directory information requires a 10-classroom day (not including Saturdays, Sundays and holidays) written notice to Registration and Records to become effective.
