

# CPR AED Courses for Students Going into the SCC Human Services Program

The American Heart Association strongly promotes knowledge and proficiency in all AHA courses and has developed instructional materials for this purpose. Use of these materials in an education course does not represent course sponsorship by the AHA. Any fees charged for such a course, except a portion of the fees needed for AHA course material, do not represent income to the AHA.

The AHA CPR and First Aid classes listed below include and exclude different skills. Please make sure you have fulfilled the course prerequisites and that the class meets the requirements from your employer, licensing agency, or school. Cost includes card, where applicable. Students will receive the CPR/First Aid card within 14 business days of successful course completion. AHA cards expire two years from the end of the month of the issue date.

Students are required to attend the entire class you have enrolled in to receive a card. If you miss or do not successfully complete any part of your class, you must register and pay for another class. We require 24 hours' notice before the first day of class to drop or change any CPR or First Aid class.
