NEW! Life in a Box: Put Your Important Personal & Financial Records in One Place

Are your important papers and documents, that you need to keep, stored where you can find them easily? If you are like most of us, probably not. Join us as we create a personal file box system that will solve this for you.

At the end of the second session, you will have a complete record storage system that will include your valuable documents such as insurance, banking, maintenance, career, and so much more.

Color Therapy: Chromotherapy

It has been known for eons of time that color plays a major role in setting up a particular mood or state of mind. Color affects one's feelings, moods and emotions. Before examining color and its healing implications, we must address a very important concept: that of cause and effect. True healing comes about when the cause of the condition or illness is addressed and transformed. Come learn how the use of color can help you heal.
