

# Annual Report

For the 2013-2014 Academic Year

Fall 2014

*We are dedicated  
to the thousands of students  
who dream, plan and work  
toward their educational  
and life goals.*

[www.southeast.edu/EducationalFoundation](http://www.southeast.edu/EducationalFoundation)

Dear Friend,

*As president of Southeast Community College from 1994-2014, I had the privilege to work with countless individuals who shared a common goal: to ensure that students who wanted to enroll at SCC would be given every opportunity to do so. Removing barriers, particularly those financial in nature, is an obligation that I do not take lightly.*

*Now, as the new executive director of the SCC Educational Foundation, I find myself in much the same scenario, working with many people who share a common goal: to ensure that students who want to enroll at SCC are given every financial opportunity to do so.*

*When Richard Becker retired as executive director of the Foundation, I was afforded a unique opportunity to continue serving the thousands of students who take classes at SCC. Albeit from “the other side of the fence” so to speak, my new position has many similarities to the one I just vacated. And the fact that more than 80 percent of SCC’s enrolled students accept some form of financial assistance, I saw this as an opportunity to continue my service to our students.*

*Since its creation in 1975, the Foundation’s focus has been on students. How can we raise more dollars so that more students can experience all that SCC has to offer? That is where you come in.*

*Without donors like you, fewer students would have the financial means to attend SCC. Private funding from alumni, friends and supporters is essential, and I am deeply grateful to have a solid base of donors who have consistently demonstrated their desire to help sustain our efforts.*

*Oftentimes we take for granted the fact that SCC is one of the most affordable institutions of higher education in Nebraska. While that statement is entirely true, it doesn’t mean that everyone who wants to attend SCC has the financial ability to do so.*

*Scholarship support has become an increasingly important source of tuition assistance for our students. While grants and loans serve a purpose, scholarships instill in our students a tremendous sense of pride and accomplishment that can lead to great things. Perhaps our new slogan should be: College. Made possible.*

*On behalf of the entire Foundation Board, thank you for your support of the College and our students. Together, we do make a difference.*

Sincerely,

Jack J. Huck, Executive Director

## Impact on students

*"Thank you for awarding me a magnificent gift for this next quarter. This scholarship will help me worry less about my family and our finances so I can concentrate more on my studies. It has been a blessing to have been chosen to receive this monetary award."*

*Jerilyn Hopper*

*"Thank you so much for the \$300 scholarship. Many people will never know what a difference this makes. To me it means that I am less stressed through the quarter*

*and that I get to spend more time with my son, which you could never put a dollar amount on. I am a disabled father, and I am trying to better my life with an education so that I can be a good role model for my son. Anytime that he tells someone that his daddy is in school it just melts my heart to see how proud he is of me. This encourages me to do the best in school that I can. Also, by receiving this scholarship, I owe it to those who granted me the funds to do well."*

*Eric Dinsdale*

*"You have my unconditional thanks for helping make my dreams come true. I plan to get my doctorate in psychology and am currently in the transfer program at SCC. By going to school, I will be able to provide my daughter with the opportunities she needs to lead her in the right direction: toward success. I am grateful for the assistance and hope that I can one day do the same for another person going to school with similar goals and dreams."*

*Victoria T. Burkey*

## Paul Illich new president of SCC

Dr. Paul Illich became the fourth president of Southeast Community College when he began his duties on July 1. He replaces Dr. Jack Huck, who retired June 30 after serving SCC for the past 39 years, the last 20 as president.

Illich comes to SCC after serving for more than seven years as vice president for research, planning and information technology at McLennan Community College in Waco, Texas.

In all, Illich served McLennan for 17 years.

Illich has a Ph.D. in experimental psychology from Texas A&M University in College Station, an M.S. degree from Texas A&M University in experimental psychology, a B.S. degree in psychology with a computer science minor from Texas State University in San Marcos, and an A.A. degree from Blinn College in Brenham, Texas.

Illich and his wife, Gail, enjoy competitive master's distance running, triathlons, biking, and trail running.

## Summary of Assets {June 30, 2014}

Cash & Investments	\$ 18,550,588
Accrued Interest Receivable	\$43,517
Pledges	<u>\$67,822</u>
<b>Total Current Assets</b>	<b>\$ 18,661,927</b>
Pledges Receivable	\$40,000
Property	<u>758,562</u>
<b>Total Assets</b>	<b>\$ 19,460,489</b>

## Scholarship Dollars Awarded

# Ways to invest

## Cash Gift or Pledge

The most popular way to give is an immediate cash gift or a pledge paid over time. Both are convenient and tax deductible.

## Endowments

An endowment is a hard-working, perpetual resource because the principle remains intact, and investment income is used to provide financial awards to students, faculty and the College. You can make contributions of any size to existing endowments or create a new endowment in your name or someone else's with a minimum gift of \$5,000.

## Bequests by Will or Living Trust Distribution

It's easy to remember the Foundation in your will or through a Revocable Living Trust. Some donors specify a gift of cash, stocks, bonds, real estate, or personal property. Others prefer to give a percentage of their estate or the residual of the estate after gift bequests to family members. Arrangements should be made with an attorney to make a bequest to the Foundation.

## Retirement Savings or Insurance Beneficiary

To name the Foundation as one of the beneficiaries of unneeded retirement funds, the donor should make arrangements through the retirement fund's administrator.

Other ways to give include naming the Foundation a beneficiary of an insurance policy, assigning annual dividends, or donating a paid-up policy. These gifts are tax deductible, will not affect your current income and may have the effect of reducing the size of your taxable estate.

## Real Estate

Gifts of real estate, whether private, commercial or agricultural, may be given to the Foundation. If the value of the property has decreased, the donor may prefer to sell the property and donate the proceeds to the Foundation. Contact the Foundation Office to discuss various options.

## Stocks, Bonds, Securities

Here is a great way to give while avoiding a capital gains tax. Appreciated assets held for more than one year may be transferred to the Foundation and deducted at fair market value, up to 30 percent of your adjusted gross income, without incurring a capital gains tax.

## Equipment and Other Property

The Foundation can accept equipment or other personal property that may be used by the College or may be easily converted to a liquid asset or otherwise be useful to a student recipient. Please contact the Foundation if you have an interest in this kind of gift.

## Matching Gifts

Some employers match charitable donations given by their employees to qualified nonprofit organizations like the Foundation. Check with your employer for an often-overlooked opportunity to maximize your contribution.

## Charitable Gift Annuities

This is an excellent way to make a significant donation, get a tax deduction, and receive regular fixed income (some of which is tax-free) for the rest of your life! A donor can transfer gifts of cash, real estate, or appreciated securities worth \$10,000 or more to the Foundation to fund an annuity agreement.

## Charitable Remainder Unitrusts

With a gift of \$50,000 or more, donors can establish a trust, ensure a lifetime income for themselves, and support SCC! As the value of the trust increases, so does the donor income. The donor receives a regular income from the trust, benefits through a tax deduction and may avoid or reduce capital gains tax.

## Charitable Lead Trusts

For persons who don't need income from an asset but want to retain the asset, the Charitable Lead Trust allows a donor to establish a trust for a specific length of time, assign interest income to the Foundation, and later reclaim the asset for the donor or the beneficiary. The portion given to the Foundation is tax deductible.

## Commodities Gift Program

This is for producers who wish to gift a quantity of produce such as corn, beans, wheat, etc. to the Foundation. Producers should always consult their own tax advisor regarding the tax consequences of making gifts of grain.

### *The SCC Educational Foundation*

*Established in 1975, the Southeast Community College Educational Foundation is a 501(c)3 not-for-profit corporation responsible for encouraging, receiving, investing, stewarding, and disbursing private support on behalf of the donors of Southeast Community College for the benefit of the College, its programs, facilities, students, faculty, staff, and alumni. The Foundation Board is comprised of community leaders representing a broad cross-section of businesses within the College's 15-county service area. Board members represent leadership and community service and share the Foundation's value of ensuring opportunities for success at SCC.*
