From the SCC Foundation Executive Director

Dear Friends,

The Southeast Community College Educational Foundation has had a positive impact on countless students because of generous donors like you. And for that, we say Thank You!

But a simple "Thank You" seems inadequate. So, as we've featured in previous annual reports, testimonials from SCC students who have benefitted from your generosity via a Foundation scholarship can be found on the following pages of this annual report. Our students are so grateful, no matter the size of the scholarship.

It's important for you to see, even with a small number of personal letters, the impact you have had and are having on our students. Providing opportunities when it didn't seem possible is what it's all about.

The mission of the SCC Educational Foundation is to support the vitality and growth of SCC to benefit the students, staff and communities it serves through the development and wise use of financial resources. We want to ensure that SCC students have the opportunity to succeed. There's that word again: opportunity.

The need for financial assistance is real for the majority of our students. Most SCC students work to help pay the bills, and some work a lot to support a family, all the while going to school to try to make their life, and the life of their family, better.

Scholarship support has become an increasingly important source of tuition assistance for our students. While grants and loans serve a purpose, scholarships instill in our students a tremendous sense of pride and accomplishment that can lead to great things. Your support is the difference maker for many of our SCC students.

On behalf of the entire Foundation Board, thank you for your interest and commitment to the SCC Educational Foundation and to SCC. Together we are providing tremendous opportunities for our students and are making an investment in the future.

Jack J. Huck, Executive Director

From the SCC President

On behalf of the Southeast Community College Board of Governors, administration, faculty, and staff, I want to thank the Southeast Community College Educational Foundation and all of its generous and thoughtful contributors. SCC is committed to its mission of providing accessible, dynamic and responsive pathways to career and technical, academic transfer and continuing education programs. SCC seeks to create futures through inquiry, knowledge and application. The SCC Educational Foundation plays a critical role in supporting this mission. This past year the Foundation awarded more than 4,000 scholarships totaling more than \$2 million.

Over the past 10 years, SCC has graduated more than 16,000 students in a wide array of career/technical programs in health sciences, manufacturing, business, construction, arts, sciences, agriculture, hospitality, food services, communications, and many other critical industries. Although open access to SCC's programs is vital, program completion is one of the primary measures of student success. The SCC Educational Foundation has helped thousands of students earn their certifications and/or degrees.

I am very thankful for the contributors and supporters of the SCC Educational Foundation. Your commitment to SCC is truly a gift to not only our students but to the entire 15-county community we serve. Thank you for your generosity, commitment and thoughtfulness.

Paul Illich, President
Southeast Community College

Ways to invest

Cash Gift or Pledge

The most popular way to give is an immediate cash gift or a pledge paid over time.

Endowments

A perpetual resource because the principle remains intact, and investment income is used to provide financial awards to students. A new endowment in your name or someone else's requires a minimum gift of \$5,000.

Bequests by Will or Living Trust Distribution

Donors may specify a gift of cash, stocks, bonds, real estate, or personal property or give a percentage of their estate or the residual of the estate after gift bequests to family members.

Retirement Savings or Insurance Beneficiary

To name the Foundation as one of the beneficiaries of retirement funds, the donor should make arrangements through the retirement fund's administrator. Other ways to give include naming the Foundation a beneficiary of an insurance policy, assigning annual dividends, or donating a paid-up policy.

Real Estate

Gifts of real estate, whether private, commercial or agricultural, may be given to the Foundation.

Stocks, Bonds, Securities

Appreciated assets held for more than one year may be transferred to the Foundation and deducted at fair market value, up to 30 percent of your adjusted gross income, without incurring a capital gains tax.

Equipment and Other Property

The Foundation can accept equipment or other personal property that may be used by the College or may be easily converted to a liquid asset.

Matching Gifts

Some employers match charitable donations given by their employees to qualified nonprofit organizations like the Foundation.

Charitable Gift Annuities

A donor can transfer gifts of cash, real estate, or appreciated securities worth \$10,000 or more to the Foundation to fund an annuity agreement leading to lifetime income.

Charitable Remainder Unitrusts

With a gift of \$50,000 or more, donors can establish a trust, ensure a lifetime income for themselves, and support SCC! As the value of the trust increases, so does the donor income.

Charitable Lead Trusts

The Charitable Lead Trust allows a donor to establish a trust for a specific length of time, assign interest income to the Foundation, and later reclaim the asset for the donor or the beneficiary.

Commodities Gift Program

This is for producers who wish to gift a quantity of produce such as corn, beans, wheat, etc. to the Foundation.

I would like to express my gratitude for the tuition scholarship. I am grateful for the assistance in financing my drafting degree. I am excited to start my next milestone at such a well-respected college. – Jacob C.

Thank you for your generosity. Your scholarship has assisted me with my financial responsibilities, and it cannot be overstated how it has aided me in achieving my goals. I am more than three-quarters of the way from accomplishing my degree, and SCC has put me on a trajectory toward success. Thank you for helping me turn my ambitions into reality. Your kindness will not be forgotten. –Rox H.

A tribute to Stan Matzke Jr.

On Nov. 2, 2017, Southeast Community College, the SCC Educational Foundation and Nebraska as a whole lost a supporter, mentor and innovator with the passing of Stan Matzke Jr.

The 84-year-old was a member of the Foundation

Board at the time of his death, having served in that capacity from 1975-1978 and again from 1982-2017. He also had served SCC as assistant to the president in the late 1970s and early 1980s.

Matzke was a former state government administrator, a candidate for mayor of Lincoln, and was a member of the Cornhusker men's basketball team from 1951 to 1955. He averaged 9.5 points per game as a co-captain his senior season.

In 1965, he became the first director of the University of Nebraska School of Agriculture at Curtis (now Nebraska College of Technical Agriculture). In 1968 he joined the College of Agriculture at UNL as assistant to the director of resident instruction. That same year he was presented with the Nebraska Agribusiness Award for outstanding contribution to Nebraska agriculture. In 1971 he was appointed to head the Department of Economic Development under Gov. J. James Exon. He served as Exon's director of the Department of Administrative Services from 1973-1978.

Matzke and assistant John Rosenow formed the national Arbor Day Foundation and coined the slogan, "Nebraska, the Good Life."

In 1982 he joined the Nebraska Bankers Association as executive vice president. During his tenure he developed a strong statewide education program for bankers, reorganized the Nebraska Electronic Transfer System and guided bankers through the agricultural crisis of the 1980s.

Following his retirement as executive vice president of the NBA, Matzke and his wife, Dorothy, lived for 20 years on 80 acres near Panama before moving back to Lincoln. They planted more than 7,000 trees and shrubs and helped organize Heartland Nuts 'N More, a nut-processing cooperative in Valparaiso.

Matzke was born Sept. 12, 1933, in Seward. He earned a bachelor's degree in agriculture and a master's degree in educational psychology from UNL. He later served his country as an officer in the U.S. Army and was a dairy farmer for a time.

Matzke was awarded the Nebraska Forest Service State Foresters Award in 2007, and he won the UNL Alumni Achievement Award and joined the Nebraska Hall of Agricultural Achievement in 1995.

An SCC Educational Foundation scholarship was established in his name.

Thank you, 2017-2018 Donors

“ Thank you for your generous scholarship. I was very happy and appreciative to learn of my selection for this scholarship, and I am deeply appreciative of your support. I am majoring in Business Administration at SCC. I am still determining what career will be the best fit for me, but I know I want to work in a business or office atmosphere. I am going to pay for college without the help of my parents by utilizing student loans and working part-time. The financial assistance you have provided will be of great help in paying my educational expenses. Thank you again for your generosity and support. By awarding me this scholarship, you have lightened my financial burden, which will allow me to focus on my coursework. I hope one day I will be able to help students achieve their goals just as you have helped me. – Macey P. ”
