Introduction to Sailing

Sailing is both a fun recreation and a serious sport. All sailboats work the same way to harness the wind for propulsion. Discover how sailboats work, common types of boats and where people go sailing.

Class is taught by an experienced skipper who answers your questions and lets you experience sailing at your own pace. Life jackets required. If you have your own personal floatation device, bring it. PFDs will be furnished for students who do not have their own. Wear soft-soled shoes. A day entry park permit will be required. If weather is questionable, call 402-314-8026 for class status. Minimum age is 12 with adult enrolled.
