OneNote to Document Garden Ideas

Remember keeping diaries or journals? Some people write faithfully, and others tire of the writing quickly. Finding a passage you wrote way back when means pouring through pages and pages of entries before you find it again. But what if there was an easier (and more fun) way to keep track of your gardening notes? OneNote can do this, and it comes free with every installed version of Microsoft Office! All you need is to be very comfortable with a computer, and you will love this class!
