DISCUSS, CONSIDER AND TAKE ALL NECESSARY ACTION WITH REGARD TO:

13a. Legislative Consultant Services

Dr. Illich presented a 2024-2025 Legislative Strategy Fact Sheet to the board.

Rationale: The Board of Governors desires to remain knowledgeable and up-to-date on potential state legislation being considered by the Nebraska Legislature that may impact the College and to provide assistance and helpful information to the Legislature and individual State Senators and Committees as it related to such potential legislation. In addition to utilizing the legislative consulting services provided by the Nebraska Community College Association, in which the College is a member, the Board desires to retain the professional services of an independent legislative consultant firm who will work directly for the benefit of the College. The College President has requested proposals from qualified legislative consulting firms in the State of Nebraska and, upon receipt of proposals, has interviewed, vetted and evaluated the submitting firms. Based upon his evaluation, the College President recommends selecting the Mueller Robak LLC firm to provide independent legislative consulting services to the College and entering into a contract with such firm for services to be provided during calendar year 2024 in the amount not to exceed \$60,000.

Mr. Uhrmacher motioned that the Board of Governors of this college should and does hereby select Mueller Robak LLC to provide non-exclusive legislative consulting services to and on behalf of the College and to authorize and delegate authority to the College President to develop, negotiate, sign, execute and deliver a contract with said firm to provide legislative consulting services to and on behalf of the College for calendar year 2024 in a contract amount not to exceed \$60,000, and further authorizes and delegates authority to the College President, or designees, to work with said firm on potential state legislation and assistance and guidance to the Legislature and Senators which are deemed in the best interest of the College. Seconded by Mr. Gunther.

Chairperson Stenberg asked for discussion.

Dr. McCormick wanted clarifications on the motion.

Mr. Byers mentioned whether to stay or not with NCAA.

Ms. Boellstorff asked if the motion is to hire a consultant separate from NCAA? Chairperson mentioned yes.

Dr. Sherwood asked if Dr. Illich can clarify the expectations of the firm? Dr. Illich stated they will set goals, receive weekly reports, and he wants to remain involved with the legislature.

Ms. Herrington asked about advocacy since she doesn't feel that NCCA provided enough benefits to allocate for the expense? Dr. Illich mentioned that he met with Courtney the director of NCCA and was clear with the expectations needed to remain with NCCA.

Dr. McCormick mentioned that legislature starts in January and the firm selected would need to be onboard prior to that date. Dr. Illich stated they would begin the next day if approved by the board.

Mr. Uhrmacher mentioned that this is a well-known firm but wants the lobbyist to be the best choice. He wants an individual to be at the legislature day to day to provide updates.
