

So many student successes as they find their path to possible!

Dylan Peterson and Chase Bartels are both students and friends at Meridian High School in Daykin. In addition to both taking Southeast Nebraska Career Academy Partnership/Dual Credit classes, they are also attending Southeast Community College in Milford this fall.

Seven (7) of our SENCAP/DCA Coordinators will continue to routinely serve high schools in our 15-county region. Three (3) coordinators will be transitioning to the role of SENCAP Facilitator beginning in Fall 2023. The 3 Facilitators will lead the portfolio for their respective assigned high schools. All portfolio instruction will be delivered in an online modality, with observations, field trips and job shadows still being completed in person.

Coordinator & Facilitator assignments will be announced at a later date. Thank you for your patience!
