---------------	-------------------------------

Observation Hours

Prior to applying to the OTA Program, students are required to spend a minimum of ***10 hours*** of observation time with an occupational therapist/occupational therapy assistant. Applicants must complete all observation hours before applying. To ensure current exposure to practice, observation hours must be completed within one year of the application date. Although a minimum of 10 hours is required, it is strongly encouraged to seek out additional hours in a **variety of settings** where physical therapy is provided.
