Catalog Year(s): 2026-2027

This program transfer pathway outlines an 8-semester plan that fulfills all requirements for the program listed above at Southeast Community College alongside the program(s) listed above at the University of Nebraska-Lincoln. While this pathway assumes full-time enrollment (14-16 credits/semester), we recognize that each student has a unique path and is expected to consult with their academic advisor in determining the best path toward degree completion at both institutions. As a full-time student, this pathway allows students to complete both degrees at their respective institutions within a 4-year timeline.

Math and English Sequencing: Math and English readiness might impact the full semester-by-semester program transfer pathway. See your academic advisor for more information.

Course Selection and Pathway Considerations

- Courses that are marked with a * are part of a particular sequence of courses that must be taken in a particular order.
- Course(s) marked with *Italics* have multiple course options for that particular requirement. A list of courses may be selected from the [Course Options](#) list. While this list is not an exhaustive list of courses that fulfill each outcome at SCC, it provides a consolidated list of the most applicable courses that will benefit a student in transferring to UNL for this particular program of study. Selecting alternative courses other than what is recommended may impact remaining requirements at UNL. When a course is listed in multiple outcomes, it may be used to fill only one Core requirement.

Notes:

* Developmental coursework will not be included in transfer.

* Math readiness impacts the full semester-by-semester program transfer pathway. The UNL College of Business requires students to complete through MATH 1400 (MATH 104 at UNL) or MATH 1600 (MATH 106 at UNL). Consult with an advisor to determine the most appropriate course for your degree plan.

* Students who transfer from SCC are able to follow the requirements of this catalog as long as you were a) enrolled at SCC during the catalog year listed on page 1 of this pathway, b) maintained continuous enrollment at SCC for 1 academic year or more, and c) continued enrollment at the University of Nebraska-Lincoln within 1 calendar year from your last term at SCC. Students must complete all degree requirements from a single catalog year and within the timeframe allowable for that catalog year.

* Transfer Credit Rules- the UNL College of Business limits the transfer of credit into the BSBA degree to 60 semester hours of credit from two-year schools and international schools. Further restrictions include:

- For SCC students only, a maximum of 22 hours of required business coursework may transfer towards the Business Core, Business Major, and Business Electives from another institution.
- A maximum of 3 hours of business coursework may transfer toward the Business Major level.
- Only 100- and 200-level business courses may be transferred from two-year institutions and international institutions.
- A maximum of 3 hours may transfer toward each subsequent business major and/or minor. (These 3 hours do not contribute to the 22-hour limit noted above).
- All courses must be completed with a grade of "C" or better to transfer for degree requirements. All business courses must be taken for a grade and only 6 hours of Pass/No Pass coursework is applicable toward general electives.

Transfer students must have a cumulative GPA of a 2.5 to be admitted into the College of Business. The University of Nebraska-Lincoln College of Business offers 12 business majors that students can choose from that all lead to the awarding of a Bachelor of Science in Business Administration. Each program requires approximately 53 credit hours of Business Core coursework plus an additional 21-31 credit hours depending on the particular major(s) chosen. All individual majors can be completed within a 4-semester sequence of coursework at UNL. Students should work closely with their UNL advisor to ensure they are completing the proper course sequencing for their selected major(s).

Majors include:

- Accounting
- Actuarial Science (Business) (See note)
- Agribusiness (Business)
- Business & Law
- Business Administration
- Business Analytics
- Economics (Business)
- Finance
- International Business
- Management
- Marketing
- Supply Chain Management

Note: Due to the coursework and sequencing of Actuarial Science, it is represented in a different pathway plan.
