Catalog Year(s): 2026-2027

This program transfer pathway outlines an 8-semester plan that fulfills all requirements for the program listed above at Southeast Community College alongside the program(s) listed above at the University of Nebraska-Lincoln. While this pathway assumes full-time enrollment (14-16 credits/semester), we recognize that each student has a unique path and is expected to consult with their academic advisor in determining the best path toward degree completion at both institutions. As a full-time student, this pathway allows students to complete both degrees at their respective institutions within a 4-year timeline.

Math and English Sequencing: Math and English readiness might impact the full semester-by-semester program transfer pathway. See your academic advisor for more information.

Course Selection and Pathway Considerations

- Courses that are marked with a * are part of a particular sequence of courses that must be taken in a particular order.
- Course(s) marked with *Italics* have multiple course options for that particular requirement. A list of courses may be selected from the [Course Options](#) list. While this list is not an exhaustive list of courses that fulfill each outcome at SCC, it provides a consolidated list of the most applicable courses that will benefit a student in transferring to UNL for this particular program of study. Selecting alternative courses other than what is recommended may impact remaining requirements at UNL. When a course is listed in multiple outcomes, it may be used to fill only one Core requirement.

Total credits required to earn both Associates and Bachelor's degrees					121

^B Whether this course is required to be specifically an upper-level PSYC course is dependent upon what classes are taken at SCC for the Psychology elective coursework and which option a student pursues.

Notes:

- * All equivalent courses must be completed with a grade of "C " or better to transfer for major requirements. Up to 15 credits of "D" and "C-" coursework can transfer toward general degree requirements.
- * Developmental coursework will not be included in transfer
- * The College of Arts and Science at the University of Nebraska-Lincoln requires completion of the equivalent of the fourth-year level of one world language in high school or completion of a 202-level language class to meet the CDR Language requirement for a Bachelor of Arts. Languages regularly available at SCC include Spanish and American Sign Language.
- * Residency requirements for the major at UNL allow for no more than 21 credits of Psychology transfer coursework to apply to the major. Up to 6 credits of Psychology from the electives section may apply to the major requirements.

Options for Psychology Majors

Psychology has 3 different options available: Psychological Science; Clinical Science and Human Services; and Neuroscience. Details on each of the options is available on the Major page of the UNL Catalog:

<https://catalog.unl.edu/undergraduate/arts-sciences/psychology/>. Students considering the neuroscience option should complete any of the following courses at SCC as part of their natural science or elective course options:

Course	Title	Cr	Course	Title	Cr
BIOS 1400	Biology I	4	CHEM 1090	General Chemistry I	4
BIOS 1410	Biology II	4	PHYS 1410	Elementary General Physics I	5
BIOS 2410	General Genetics	4			

Experiential Learning

All UNL students must complete at least one approved Experiential Learning course (including 0-credit choices). Psychology majors have many options, including these popular choices:

- **Internships:** Psychology students intern in a variety of public and private organizations. Earn elective credit with CASC 395, or simply document your experience on your transcript with CASC 95 (0-credit).
- **Undergraduate Research:** Work with a faculty member on their research, or pursue your own research interests through UCARE (Undergraduate Creative Activity and Research Experience), a paid program. Earn elective credit with PSYC 498, or simply document your experience on your transcript with CASC 98 (0-credit).
- **Education Abroad:** Choose from affiliate programs around the world, or travel and learn with a UNL faculty member and fellow students.
- **Leadership:** Psychology majors are active leaders on campus, including serving on ASUN (Associated Students of the University of Nebraska), or as Orientation Leaders, Ambassadors, and Resident Assistants. These kinds of significant on-going leadership experiences may be documented on your transcript with CASC 97 (0-credit).
