Degree: Bachelor of Science in
Criminology and Criminal Justice (B.S.)
Major: Criminology & Criminal Justice

Catalog Year(s): 2026-2027

This program transfer pathway outlines an 8-semester plan that fulfills all requirements for the program listed above at Southeast Community College alongside the program(s) listed above at the University of Nebraska-Lincoln. While this pathway assumes full-time enrollment (14-16 credits/semester), we recognize that each student has a unique path and is expected to consult with their academic advisor in determining the best path toward degree completion at both institutions. As a full-time student, this pathway allows students to complete both degrees at their respective institutions within a 4-year timeline.

Math and English Sequencing: Math and English readiness might impact the full semester-by-semester program transfer pathway. See your academic advisor for more information.

Course Selection and Pathway Considerations

- Courses that are marked with a * are part of a sequence of courses that must be taken in a particular order.
- Course(s) marked with *Italics* have multiple course options for that particular requirement. A list of courses may be selected from the [Course Options](#) list. While this list is not an exhaustive list of courses that fulfill each outcome at SCC, it provides a consolidated list of the most applicable courses that will benefit a student in transferring to UNL for this particular program of study. Selecting alternative courses other than what is recommended may impact remaining requirements at UNL. When a course is listed in multiple outcomes, it may be used to fill only one Core requirement.

Note:
 Students are required to complete specific GELO 1,2, and 4 courses as outlined in the program pathway. Students must take 2 additional classes from 2 different remaining GELOs (GELO 3,5, or 6). The pathway outlines specific courses for GELO 3 and GELO 5 due to curriculum requirements at UNL. Selecting alternative courses other than what is recommended may impact remaining requirements at UNL.
