ROAD MAP TO SUCCESS

LEARNER'S PERMIT/SCHOOL PERMIT

Students must have a Learner's permit prior to registering. Permits are available at local Department of Motor Vehicle licensing stations. For more information, visit dmv.nebraska.gov/examining/overview or call the DMV at 402-471-3861.

ORIENTATION

Orientation attendance is required for all driver education classes. Important course information is presented during this Zoom orientation and drive labs are scheduled. Two weeks prior to the required orientation a packet will be sent to the students.

The student or adult representative must attend the Zoom orientation, preferably both.

All orientations will be held from 6-7 p.m. via Zoom. See schedule of classes for required orientation dates. Zoom invites are sent one week prior to the orientation date.

DRIVE LAB

All drive labs are scheduled at the required orientation. Drive lab time selection occurs in the order of registration.

SUCCESSFUL COMPLETION

Successful completion of the Driver Education course requires students to attend all lectures in person or online (20 hours total) and drive labs (6 hours total) as scheduled. Students must successfully pass two written tests with a minimum grade of 70% and the Nebraska Department of Motor Vehicles drive test with 15 or fewer errors.

HOW TO OBTAIN POP PERMIT AFTER SUCCESSFUL COMPLETION

After successful completion, SCC will upload the information into the DMV database. Please allow two weeks for processing. After the DMV has received this information, students may go online to dmv.nebraska.gov/dl/pop to apply without having to go to the DMV.

PROOF OF COMPLETION FOR INSURANCE

A grade transcript will be mailed to the student's address provided at registration within two weeks after successful course completion. Transcript request form (included in mailed packet) must be completed and submitted to the SCC Continuing Education office.

ATTENDANCE POLICY

Attendance is critical to the student's success. Consideration will be given when an absence involves a family emergency, serious illness or extenuating circumstance. The Traffic Safety & Licensing Director determines if an absence is excused. Absences due to outside activities are not excused (i.e. sports, work schedules, vacations, etc.).

CANCELLATION/REFUND/TRANSFER

Students will receive a full refund if the class is dropped one week prior to the class start date. No refund will be issued if student fails to attend class and/or drive labs. To drop/transfer to another section, call 402-437-2700.
