

Fall 2025 Semester Credit Courses at the Learning Center at Falls City

BSAD-2310

Business Ethics

*Prerequisite: Writing/English
Competency recommended*

This course explores the challenging world of business ethics. By examining issues and scenarios that relate directly to the work environment, students can develop a clearer sense of how their corporate and personal code of ethics relates to operational decisions made on a daily basis. In addition, the course will allow students to examine their individual ethical standards and how those standards influence personal and work decisions.
