

TRAUMA NURSING CORE COURSE

The Trauma Nursing Core Course, developed by the Emergency Nurses Association, is designed for registered nurses who have at least six months of clinical nursing experience in an emergency care setting. Other health care professionals may audit the course.

Trauma nursing, as a discipline, refers to the process and content of the various roles nurses have in the care of the trauma patient. The purpose of TNCC is to present knowledge, refine skills and build a firm foundation in trauma nursing. The Trauma Nursing Core Course consists of a combination of lecture time and skills stations.

Objectives:

- Identify the common mechanisms of injury associated with trauma
- Describe the nursing assessment, both primary and secondary, of patients with trauma
- Describe the appropriate interventions for patients with trauma
- Describe mechanisms for evaluating the effectiveness of nursing interventions for patients with trauma

Course Director: Curtis Olson has been an emergency department nurse for nearly two decades. He has experience in trauma centers, urban EDs and EMS, and critical access hospitals. As an educator, he has presented at healthcare events nationwide, as well as in TNCC and other certification classes throughout Nebraska.

Successful completion of the course requires 80% or greater on the multiple choice exam and 70% or greater on the skill station evaluation. RN Candidates with successful completion will receive the ENA TNCC four year provider verification card. All attendees will be awarded contact hour certificate with appropriate contact hours.

19.5 contact hours are awarded for course completion. The TNCC Ninth Edition represents ENA's continued commitment to uphold its belief statements and provide quality, evidence-based trauma education for nurses worldwide. The Emergency Nurses Association is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

Cancellation/Refund Policy: The student is entitled to a 100% refund for any non-credit class officially dropped prior to the start date of the class unless noted in the course description notes. No refund is allowed if the class is dropped on or after the start date of the class. SCC reserves the right to cancel any non-credit classes that do not have sufficient enrollment. A full refund will be processed and you are not required to submit a drop form.

ADA Reasonable Accommodations: SCC provides services and reasonable accommodations to allow persons with disabilities to participate in educational programs and other College activities. For information on requesting ADA reasonable accommodations, contact the Accommodations Resource Office (StudentADA@southeast.edu).
