## CPR | First Aid

The American Heart Association  **AUTHORIZED TRAINING CENTER** strongly promotes knowledge and proficiency in all AHA courses and has developed instructional materials for this purpose. Use of these materials in an education course does not represent course sponsorship by the AHA. Any fees charged for such a course, except a portion of the fees needed for AHA course material, do not represent income to the AHA.

Our CPR courses are offered in **Face-to-Face (F2F)** and **Hybrid (HB)** formats for learning flexibility.

### For Hybrid courses

- When registering, include your email address.
- Approximately one week prior to your skills session class, you will receive an email with the AHA access key to complete the online learning.
- Once you’ve completed the online portion, print the Online Course Completion Certificate. **You must have this certificate with you for admission into the face-to-face skills session.**

### NOTE:

You are required to attend the entire class you have enrolled in to receive a card. If you miss or do not successfully complete any part of your class, you must register and pay for another class. We require 24 hours’ notice before the first day of class to drop or change any CPR or First Aid class.

### F2F | Heartsaver® CPR AED (Community)

Have you always wanted to know how to perform CPR and use an AED if needed in an emergency situation? Take this training and walk away with CPR and AED skills needed to assist adults, children and infants.

This class meets the CPR AED requirement for day cares.

## Trauma Nursing Core Course

Do you work in an emergency care setting? Is your main role dealing with the care of trauma patients? This is the course for you! The Trauma Nursing Core Course is developed by the Emergency Nurses Association and is designed for registered nurses who have at least six months of clinical nursing experience in an emergency care setting. This course consists of a combination of lecture and skills stations to increase knowledge, refine skills and build a firm foundation in trauma nursing.

Successful completion of the course requires 80% or greater on the multiple-choice exam and 70% or greater on the skill station evaluation. RN candidates with successful completion will receive the ENA TNCC four-year provider verification card. All attendees will be awarded an 19.5 contact-hour certificate for course completion. The Emergency Nurses Association is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation. No refunds after March 12. The textbook or virtual book will be mailed / available online the week of March 12 so you have time to review / study before attending. Lunch is on your own. **Keyword: Trauma**

## Protecting Your License Through Patient Advocacy

This course on protecting your license through patient advocacy is designed to empower nurses to improve patient safety. The course content consists of lawsuit basics, legal risks, documentation standards and case studies, and how to engage in difficult conversations.

Learners will self-report an increase in:

- Knowledge about legal guidelines for nursing documentation.
- Confidence regarding required nursing documentation.
- Knowledge about measures to reduce legal risks in nursing practice.
- Confidence regarding difficult conversations including nurse re-education.
- Knowledge about the mandatory reporting requirements licensure disciplinary process.

5.0 contact hours awarded to nurses. For other health care professionals, check with your licensing agencies to verify that this course will count as continuing education in your field. In order to obtain nursing contact hours, you must participate in the entire program, participate in audience polling and/or Q & A and complete evaluation.

## Breastfeeding Education for Providers

This interactive course provides a broad overview of the historical and cultural aspects of infant feeding, while reviewing best breastfeeding practices. Presented in a small group, live Zoom setting, the content focuses on breastfeeding from a psychosocial and a scientific perspective.

(Presented in five three-hour live Zoom sessions; 15 live, in-person hours + five additional self-study hours.) You will need access to a computer with video and voice and be able to follow a PowerPoint presentation. A Zoom link will be emailed a week before class starts. Participants must attend 90% of the course, and your camera must be on to receive credit. This course is for CLCs, RNs and family support specialists (doulas, peer counselors, etc.).

Instructor: Ann Seacrest, RN, IBCLC, brings 35 years of experience as a clinical IBCLC, hospital-based postpartum and lactation nurse, certified ASPO childbirth educator, certified DONA doula and doula teacher, and co-founder and past Executive Director of MilkWorks.

You will receive the Zoom link the week prior to class start. **Keyword: Breastfeeding**

### PLC Skills Series

For anyone who works with programmable logic controllers (PLC), these classes focus on background theory, application information, and programming practices of PLCs.

Fifty percent of class time is spent on hands-on exercises using custom-built PLC trainers, which will help students learn and retain the knowledge and skills to work with PLCs.

#### Introduction to PLCs

This course covers basic function, theory and applications of a PLC for the Automation Direct Click series.

# ENTREPRENEURSHIP CENTER & FOCUS SUITES

SCC’s Focus Suites provide a professional and comfortable place to run an actual business. Business owners in the Focus Suites community are passionate about their work. Some are just starting their entrepreneurial journey, while others have celebrated many milestones.

## Services

- Focus Suites Memberships (with and without office rental space)
- Focus Coaching
- Do Business for Real Book Club and Networking

## Focus Suites

Building a business requires drive and focus. In a culture that celebrates the process, business owners can avoid getting overwhelmed and face change alongside others who have similar challenges.

- Individual office suites with 24/7 access (or virtual membership if office space is not needed)
- Supportive, collaborative community culture
- Flexible leases and affordable rental rates
- Free parking and high-speed internet
- Shared Collaboration Room

## Focus Coaching

Focus Coaching is a customizable coaching experience designed to help entrepreneurs identify their strengths and vulnerabilities.

Participants are introduced to tools for informed decision making. The first session is free so we can learn about your unique business situation, determine if Focus Coaching is a fit, or if there is another resource we can recommend.

Email Brooke at [blenhoff@southeast.edu](mailto:blenhoff@southeast.edu) for Zoom access to Book Club, to be added to our mailing list, or to schedule a free consultation.

This is a low-commitment and casual book club, and you don’t have to read the chapters to attend our meetings. Come when you can, leave when you need to and read what you want.

Attend Tuesdays at noon in person or via Zoom and feel free to bring your lunch!

For book information, Zoom access and additional resources, check out our: Do Business For Real Book Club Facebook group: [facebook.com/groups/dobusinessforrealbookclub](https://facebook.com/groups/dobusinessforrealbookclub)

For more information on the  
Focus Suites opportunities, visit

or call us at 402-323-3629.

# Welcome to the In-Between

The necessity for training and development may arise suddenly or gradually, and it can encompass a single person or an entire group.

Having access to solutions that align with the dynamic nature of employee growth ensures that your workforce remains flexible and prepared to adapt to the evolving work environment.

In response to the changing landscape of training and development, SCC has expanded our learning delivery options by offering The In-Between. This gives companies more control over what and when at an affordable price point.

Learn more about the features of our Open to the Public courses, The In-Between and Customized Training on the following page.

## WORKFORCE SOLUTIONS

Meeting your learning and development needs with flexible training options.

### Open to the Public
