## Barn Quilt Basics

Barn quilts are no longer just for rural barns. Painted in bold and vivid colors you will see them in the city on garages, sheds and fences for all to see and love. You can choose the *Midwestern Sky* pattern or from 48 Geometric patterns. Best of all, no artistic talent needed!

If you choose the *Midwestern Sky* pattern the design will be ready for colors to be assigned to each block after taping.

If you choose the *geometric* pattern option, you will work on a gridded blank that is compatible with design options on the pattern board the day of class.

Aluminum composite material (outdoor quality) will be used along with outdoor house paint. Bring yellow Delicate Frog tape (1.41 width from lumber/hardware stores), hair dryer, and an extension cord.

Face-to-face lecture will meet twice each week or online for five weeks. The two-hour drive lab meets once a week for six weeks. Drive labs are offered Monday through Friday, with a starting time of 3:30 or 5:45 p.m. (SCC drive time of 4 p.m. or 6:15 p.m.), or on Saturday starting at 8 a.m., 10:15 a.m., 1 p.m., or 3:15 p.m. No Monday drive labs available for the Jan. 5 sections. The student could possibly attend the first drive lab before the first lecture meets. The drive lab continues one week past the completion of the face-to-face lecture.

**Sections beginning March 9:** Lecture is one week long online only. Drive lab meets for two hours every day Monday through Saturday for the same week as the lecture. Starting times offered are: 7:15 a.m., 9:30 a.m. or 12 p.m.

### Driver Education Instructor Training

**Prerequisites:** Must be at least 21 years of age, have a high school diploma or equivalent, valid operator's license held in the state of residence for two consecutive years and clean driving record for the prior five years. The instructor candidate must have no violation on record for which five or more points might be assessed, including probation or other situations in which no points were actually assessed for the violation. The instructor candidate must have no suspensions or revocations on record within the last five years, including no convictions for DWI or any alcohol- or drug-related offense in connection with motor vehicle use. (DMV Title 247.)

This is a Department of Motor Vehicles-approved course for the certification of instructors to teach driver education in a non-credit format. The focus is on fundamental driver education, curriculum development and presentation skills. The class is geared toward those individuals who want to teach outside the K-12 system.

# MOTORCYCLE SAFETY

## Motorcycle Safety: Beginning Riders Course

Prerequisites: You must be at least 16 and able to balance and ride a bicycle. If you are under 19, a waiver must be signed by a parent or guardian. Failure to provide a waiver will disqualify participation in class, and a refund will not be available.

This 18-hour course is intended for beginning riders 16 years and older and is designed to teach safe motorcycle operation.

(1.8 CEUs) Approximately three weeks before the start date of the course, an email will be sent with instructions on how to access the eCourse. The eCourse is to be successfully completed one week prior to the start of the Friday evening classroom session. You must successfully complete the online eCourse and the written and driving exams to receive documentation for the motorcycle endorsement. You will provide your own protective riding apparel, including Nebraska Department of Transportation-approved helmet and eye protection, over-the-ankle footwear, long-sleeve shirt or jacket, long non-flare denim pants or equivalent, and full-fingered gloves, preferably leather.

Classes are offered at SCC starting in April and will run through October. For information about this course, visit <https://pxl.to/cemotorcyclesafety1>.

## Smart Drivers!

This is a state-approved four-hour comprehensive course applying fundamental traffic laws and increasing driver awareness.

(0.4 CEUs) This class is approved by the Nebraska Department of Motor Vehicles and can be applied toward: under-age 21, six-point accumulation, reinstatement of point revocation, and two-point credit to driving record.

For information about this course, visit [southeast.edu/csmartdrivers](http://southeast.edu/csmartdrivers).

## Breastfeeding Education for Providers: Creating a Network of Support for Families

This interactive continuing education course provides a broad overview of the historical and cultural aspects of infant feeding while examining best clinical breastfeeding practices. The content focuses on breastfeeding from psychosocial and scientific perspectives.

This course is pertinent for anyone who works with young families. It is accepted for CLC and IBCLC recertification, as well as lactation education for IBCLC candidates. A 20-contact-hour certificate of completion will be awarded to students who fully participate in the 15 live online hours and complete five self-study hours. Certificates will not be awarded for partial completion. The live online sessions are presented in five three-hour sessions. You will need access to a computer with audio, video and the capacity to view a PowerPoint presentation. Your camera must be on during each live online session to show you are in attendance. You will receive the Zoom link the week prior to class start.

Instructor: Ann Seacrest, BSN, RN, IBCLC, brings more than 35 years of experience as a clinical IBCLC, hospital-based postpartum and lactation nurse, certified ASP childbirth educator, certified DONA doula and DONA doula teacher. She is a co-founder and past executive director of MilkWorks.

Tuition assistance may be available. Contact [annseacrest@ars-health.com](mailto:annseacrest@ars-health.com) for more information. **Keyword: Breastfeeding**

## CPR & FIRST AID

The American Heart Association strongly promotes knowledge and proficiency in all AHA courses and has developed instructional materials for this purpose. Use of these materials in an education course does not represent course sponsorship by the AHA. Any fees charged for such a course, except a portion of the fees needed for AHA course material, do not represent income to the AHA.

Our CPR courses are offered in Face-to-Face (**F2F**) and Hybrid (**HB**) formats for learning flexibility.

For Hybrid courses

- When registering, include your email address.
- Approximately one week before your skills session class, you will receive an email with the AHA access key to complete the online learning.
- Once you've completed the online portion, print the Online Course Completion Certificate. You must have this certificate with you for admission into the face-to-face skills session.

**NOTE:** You are required to attend the entire class you have enrolled in to receive a card. If you miss or do not successfully complete any part of your class, you must register and pay for another class. We require 24 hours' notice before the first day of class to drop or change any CPR or First Aid class.
