Online Registration Keyword: Nurse

Registration Deadline: May 30

Topics:

- Discuss implementation of the competency-based learning at multiple nursing degree levels
- Explore inclusive and collaborative approaches used with faculty, administrative leaders, and students to successfully transition to competency-based education
- Discuss best practices in curriculum alignment, innovation, and evaluation
- Discuss strategies and tools to incorporate competency-based education into lesson plans and student assessments
- Discuss competency-based curriculum implementation timeline

About the Speaker: Dr. Virginia Wangerin, PhD, RN, CNE

Dr. Virginia “Ginny” Wangerin is an educator, consultant, and speaker with more than 40 years of experience in nursing. She has taught at the ADN, BSN and graduate level, and most recently developed and implemented the first nursing program at Iowa

State University. Dr. Wangerin is recognized as a lifelong leader and nursing advocate, serving on numerous committees and boards, advocating for the profession and at-risk populations. As a nurse education leader, she has developed and implemented concurrent enrollment programs and concept-based curriculum. Dr. Wangerin is a consultant and speaker for accreditation, curriculum development, learning strategies and outcomes assessment.

Participants will receive an email containing a link to an online evaluation at the end of the conference. Certificates will be issued once the evaluation is completed.

The conference must be attended in full to receive a certificate for contact hours.

NurseTim® is accredited as a provider of nursing continuing professional development by the American Nurses Credentialing Center's Commission on Accreditation.
