Commencement Speaker

Bennie Shobe

Lincoln City Council member Bennie Shobe grew up in Kentucky and moved to Nebraska to attend the University of Nebraska-Lincoln in 1998. He stayed in Lincoln because he grew to love the community. As Bennie likes to say – he’s a Kentuckian by birth but a Nebraskan by choice.

Shobe joined the Nebraska Department of Labor in 2008 as a Program Analyst. He served as an adjunct professor of criminal justice for the University of Nebraska at Omaha. In 2017 he ran for an at-large position on the Lincoln City Council and was re-elected for another four-year term in May of 2021.

In the 20 plus years that he has lived in Lincoln, Shobe has served on dozens of community boards, advisory committees, neighborhood associations and non-profits.

He has served as past president of the Lincoln Branch NAACP and on the Lincoln Police Hiring and Promotion Committee, Lincoln Commission on Human Rights, Indian Center, Inc. Board of Directors and the Malone Community Center Board of Directors.

National Anthem

Jadyn Dodd

Jadyn Dodd is a freshman at the Chicago College of Performing Arts at Roosevelt University. He first started performing as a freshman at Pius X High School, and became a member of AcaFellas, Pius X Players, and Spectrum Show Choir. He was a Spectrum dance captain for two years and became the elected Vice President of Pius Players, focusing on cast affairs. On top of performing, Dodd also loved all things STEM, excelling in Physics and Applied Calculus for Engineers (PACE) his senior year of high school, and received dual-credit through SCC for his AP Calculus class. He couldn’t be more grateful to be singing and studying Musical Theatre in the Windy City!

A Letter from the President

Dr. Paul Illich

Dear Graduate,

Congratulations on successfully completing all of the requirements needed to graduate from Southeast Community College. You have proven resiliency by embracing the complexities and challenges associated with learning new and difficult concepts and skills. Your dedication, hard work and perseverance has led to your success at SCC and has prepared you for the next chapter of your life.

You began your journey at SCC as a student and leave as an accomplished graduate prepared for employment or transferring to a four-year college or university. This transformation would not have occurred without the support of your family and friends as well as the dedication of our faculty and staff. Together, we fostered a supportive learning environment that has empowered you to reach your potential.

Tonight, we celebrate your graduation from SCC as an acknowledgement of your commitment to the life-changing benefits of higher-education. Thank you for allowing all of us at SCC to be a part of your academic and development path. As you transition into the workforce or pursue further education, I encourage you to continue to pursue positive opportunities for learning and personal growth. Your journey with us is not over and we look forward to your continued success.

A handwritten signature in black ink that reads "Paul Illich". The signature is stylized with a large, looping "P" and a long, sweeping underline.

The Academic Processional and Regalia

The academic processional that officially preludes the Commencement ceremonies on college and university campuses is one of the oldest and most colorful customs that link 21st century education with its early origins.

To signal the achievements of their students, American institutions of higher learning conduct a formal ceremony to award the appropriate degrees earned at the conclusion of prescribed study. The action of taking the degree — associate's, baccalaureate, master's or doctorate, as well as the designation of the day itself — is Commencement.

As cited in Academic Heraldry in America (Sheard, 1962), the academic regalia worn at Commencement is of medieval origin. Since the 11th century, when the rise of universities began, "learned clerks" robed themselves in gowns, caps and hoods, thus marking a difference between "town and gown." By this apparel they were recognized as belonging to the teaching guild, which was the Guild of the Master of Arts. In this organization, the bachelor was the apprentice of the master. This relationship was the forerunner of today's academic structure.

In the United States, professors continue to wear the gown and hood of the university from which they received their highest degree. The gown, in origin, may have been simply a type of overcoat to protect the teacher from the cold in unheated buildings; the cut or style seems to be derived from ecclesiastical attire. It has usually been black; however, in recent years some institutions have adopted a school color for their gowns. The gowns of bachelors and masters are usually without trimmings of any sort, whereas those of doctors are faced down the front with velvet and adorned with three velvet bars on the sleeves. The cap or "mortarboard" may have come from the squarish cap worn by the masons of the Middle Ages, or perhaps was suggested by the shape of the books that occupied so much of the scholar's time. Attached to a button atop the "mortarboard" is a tassel; bachelor's and master's tassels are black or color appropriate to the subject; doctors' tassels are black or golden. The tassel is worn on the left side by individuals receiving or have received a degree.

The hood, a triangular fold of cloth worn over the back of the gown, is faced with colors which denote the field of study represented by the wearer's degree; the colors of the lining are those of the college or university that granted the degree. The length of the hood is correspondingly longer with each higher degree. The wide velvet borders extending down the front of the doctoral gown, the velvet bars on the sleeves and the borders of most hoods, are colored according to the scholarly field of the wearer.

Regalia Colors

The colors worn by Faculty & Staff, including trimmings of doctors' gowns, edging of hoods and tassels of caps, are represented by the colors associated with the different disciplines as follows:

Southeast Community College is a two-year institution of higher education governed by an 11-member Board of Governors elected from the College's 15-county service area in southeast Nebraska.

The College has campuses in Beatrice, Lincoln and Milford, as well as Learning Centers in Falls City, Hebron, Nebraska City, Plattsmouth, Wahoo, and York. SCC serves nearly 10,000 credit students through 80 Programs of Study, including transfer and career/technical. Most can be completed in two years or less. The College also serves nearly 20,000 non-credit students enrolled in Continuing Education classes on the campuses and in communities throughout southeast Nebraska. Ninety-three percent of the students who graduated in 2022 found employment or continued their education.

SCC began operating in Lincoln in 1973 in various locations throughout the city. In 1979, the first building on the current Lincoln Campus at 8800 O St. was built. SCC obtained the Beatrice Campus, where the college's 10 intercollegiate athletic programs reside, in the early 1970s. The Milford Campus, which originated in 1941 as Nebraska Technical College, also became part of SCC in the early 1970s.
