

Where can I find and buy textbooks?

The textbooks needed for a class can be found on the SCC Campus Store website. Navigate to <https://sccbookstore.com> and select your campus.

Click **Textbooks** from the menu and select **Buy Textbooks**:

You can then enter your ID# into the search field, and if you are already registered, it will show you the materials needed. If you are not registered for the course, you can search using the drop down options below the search fields.
