## ROAD MAP TO SUCCESS

### LEARNER'S PERMIT/SCHOOL PERMIT

Students must have a Learner's permit prior to the first class. Permits are available at local Department of Motor Vehicle licensing stations. For more information, visit [www.dmv.nebraska.gov/examining/overview](http://www.dmv.nebraska.gov/examining/overview) or call the DMV at 402-471-3861.

---

### ORIENTATION

Orientation attendance is required for all driver education classes. Important course information is presented during this Zoom orientation and drive lab are scheduled. Two weeks prior to the required orientation a packet will be sent to the students.

The student or adult representative must attend the Zoom orientation, preferably both.

All orientations will be held from 6-7 p.m. via Zoom. See schedule of classes for required orientation dates. Zoom invites are sent one week prior to the orientation date.

---

### DRIVE LAB

All drive labs are scheduled at the required orientation. Drive lab time selection occurs in the order of registration.

---

### SUCCESSFUL COMPLETION

Successfully completion of the Driver Education course requires students to attend all lectures (20 hours total) and drive labs (6 hours total) as scheduled. Students must successfully pass two written tests with a minimum grade of 70% and the Nebraska Department of Motor Vehicles drive test with 15 or fewer errors.

---

### HOW TO OBTAIN POP PERMIT AFTER SUCCESSFUL COMPLETION

After successful completion, SCC will input the completion information into the DMV database. Please allow two weeks for processing. After DMV has received information, students may go online to [clickdmv.ne.gov](http://clickdmv.ne.gov) to progress through the licensing process without having to go to the DMV.

---

### PROOF OF COMPLETION FOR INSURANCE

A grade transcript will be mailed to the student's address provided at registration within two weeks after successful course completion.

---

### ATTENDANCE POLICY

Attendance is critical to the student's success. Consideration will be given when an absence involves a family emergency, serious illness or extenuating circumstance. The Traffic Safety & Licensing Director determines if an absence is excused. Absences due to outside activities are not excused (i.e. sports, work schedules, vacations, etc.). Any unexcused absence from lecture or drive lab will require the student to register in and attend the next available session and pay tuition to complete the course work.

---

### CANCELLATION/REFUND/TRANSFER

Students will receive a full refund if the class is dropped one business day prior to the class start date or earlier. No refund will be issued if the class is dropped on the class start date or later or the student fails to attend class. To drop/transfer to another section, call 402-437-2700.
