

NEW! Black Rocket Youth Camp: Make Your First 3D Video Game

This is a four-day camp for youth ages 8-14. Try this new version of a Black Rocket classic! This class allows you to develop a game concept that goes well beyond the limitations of the traditional 2D game design classes. Students will learn the physics behind 3D games, explore beginner event scripting, level design, controlling flow of gameplay, and storytelling.

Student-created games will be available on a password-protected Black Rocket website to share with friends and family.

NEW! Black Rocket Youth Camp: Minecraft® Designers

This is a four-day camp for youth ages 8-14. If you love the game Minecraft®, but always wanted to design your own characters and buildings for your games, this class is for you! Learn the basics of creating 3-D models using a new software to design your very own objects, create skins for characters, and import them into your favorite Minecraft® games.

To access their project at home, students must own a PC/MAC version of Minecraft®, Tablet, phone and game console version of Minecraft® are not compatible.

NEW! Black Rocket Youth Camp: Code Breakers

Calling all future coders, programmers, and designers! Learn the basics of coding languages like HTML, JavaScript, and CSS through a series of web projects and design challenges each day and be on your way to becoming the next tech star! Whether you want to be the next Mark Zuckerberg or the high school student who just made \$1 million dollars for programming in his bedroom, this course has the essentials you need to begin your journey.

Projects will be available on a Black Rocket website to share with friends and family. Students will work in pairs or teams for most of the program.

Register Online for SCC Continuing Education Classes

You must have an email account to register online.

1. Go to <http://bit.ly/RegisterCE>.
2. **Search for your class** by entering either a **key word** in the title or the **course number**. Click **Submit**. (Enter information in only one field for broader results.)
Key Word Example: *Driver*
Course Number Example: *TRAN-3398*
3. **Select the course** for which you wish to register. Click **Submit**.
4. Enter your **personal information, certify your identification** and click **Submit**.
* You must provide your Social Security Number.
5. *Optional*: Enter your **Additional Registration Information** and click **Submit**.
6. If you want to register for additional classes, select **Search for more classes** under "Choose one of the following." If you are finished selecting the class(es) for which you want to register, select **Register now (check out)**. Select your **Payment Type**. Click **Submit**.
7. Enter your **payment information**. Click **Submit**.

You will see your **class acknowledgement** with information about your **SCC Student ID Number, SCC User ID** and **password**. You also will receive an email with this same information for your records.

In the future it will be easy to register by logging in using your SCC User ID and password and it will not be necessary to provide your Social Security number again.

If you have problems getting registered, please call 402-437-2700 or 800-828-0072 for assistance.
