ROAD MAP TO SUCCESS

LEARNERS PERMIT/SCHOOL PERMIT

Students must have a permit prior to the first class. Permits are available at local Department of Motor Vehicle licensing stations. For more information, visit www.dmv.nebraska.gov/examining/overview or call the DMV at 402-471-3861.

ORIENTATION

Orientation attendance is required for ALL Lincoln sessions. Important information will be presented and drive lab time sign-up will take place. A reminder letter will be U.S. mailed to the student two weeks prior to orientation. It is highly recommended that the student attend orientation, but an adult representative/sponsor can attend in student's place. All orientations will be held from 6-7 p.m. at Southeast Community College, Room V-103, 8800 O St., Lincoln. See schedule of classes for required orientation date.

DRIVE LAB

All drive labs are scheduled at the required orientation in order of registration.

SUCCESSFUL COMPLETION

In order to successfully pass the Driver Education course, students must attend all lectures (20 hours) and drive labs (6 hours) as scheduled and must successfully pass two written tests with a minimum grade of 70 percent and the Nebraska Department of Motor Vehicles drive test with 15 or fewer errors.

HOW TO OBTAIN POP PERMIT AFTER SUCCESSFUL COMPLETION

After the class has completed, SCC will input the completion information into the DMV database. Please allow two weeks for this processing. Students may go online to clickdmv.ne.gov to progress through the licensing process without having to go to the DMV.

PROOF OF COMPLETION FOR INSURANCE

Within two weeks after successful completion, SCC will mail a grade transcript to the student's address provided at registration.

ATTENDANCE POLICY

Attendance is critical to the student's success. An excused absence would include a family emergency, serious illness or extenuating circumstance as determined by the Continuing Education director. Absences due to outside activities are not excused (i.e. sports, work schedules, vacations, etc.). Any unexcused absence from lecture or lab will require the student to re-register, pay tuition and attend the next available session to complete the course work.

CANCELLATION/REFUND/TRANSFER

Students will receive 100 percent refund if the class is dropped one business day prior to the class start date or earlier. No refund will be issued if the class is dropped on the class start date or later. To drop/transfer to another section, call 402-437-2700.
