PLUMBING TECHNOLOGY

MILFORD CAMPUS

Diploma

www.southeast.edu/plumbing

As a plumber, you will work in both commercial and residential settings to repair, install and maintain plumbing fixtures and systems for drainage, heating, drinking, venting, and sewage. A large part of the job involves the ability to work with building blueprints to assess layouts of plumbing systems and the water supply.

Program Overview

In one year, earn a diploma in Plumbing Technology at Southeast Community College's Milford Campus. This hands-on program will mostly take part in our plumbing lab, as well as a residential home we construct twice a year for the community. EMSI reports that this profession is a high-paid occupation in the construction industry.

Graduate Earnings

Plumbing is a new program, so no graduate salary information is available.

EMSI occupational data projects jobs for plumbers, pipefitters and steamfitters of a median wage of more than \$18 per hour.
