

There is a tremendous demand for skilled drivers all across the United States. If you enjoy being on the road, why not get paid for it? Our Professional Truck Driver Training program has a fleet of nine truck tractors and 11 trailers. Students practice with Detroit Diesel, Caterpillar, Mack, and Mercedes Benz engines. Transmissions used include 10-speed, 9-speed, and Super 10-speed, 13-speed and Auto-shift models. Most trailers are 48 feet long, and the program has five 53-foot trailers with plans to add others.

## Why SCC?

SCC's Professional Truck Driver Training program is a short-term intensive truck driving course where students learn to operate articulated vans and flatbed tractor trailer units. Training includes classroom/lab instruction and driving on city streets and rural roads, two-lane and interstate highways. Students perfect driving skills on the private SCC concourse and perimeter road before progressing to highway driving.

Ever since I was little, I wanted to drive a truck. SCC made that dream come true. With all the instructor guidance and practice, I am living my dream. With this training you are set up for a successful career right out of the gate. I got hired by Crete Carrier and completed eight weeks of training and have been successful at trucking ever since. This is the best trucking program that is reasonably priced. Thank you SCC for starting me down my path of success.
