PROFESSIONAL TRUCK DRIVER TRAINING

Lincoln Campus

There is a tremendous demand for skilled drivers all across the United States. If you enjoy being on the road, why not get paid for it? Our Professional Truck Driver Training program has a fleet of nine truck tractors and 11 trailers. Students practice with Detroit Diesel, Caterpillar, Mack, and Mercedes Benz engines. Transmissions used include 10-speed, 9-speed, and Super 10-speed, 13-speed and Auto-shift models. Most trailers are 48 feet long, and the program has five 53-foot trailers with plans to add others.

The Professional Truck Driver Training program prepares students for a career in truck driving in both intrastate and interstate commerce.

This is an eight-week intensive truck driving course offered twice a semester. Students learn to operate tractor-trailers in various environments. Training includes driving on the city streets and rural roads, two-lane and interstate highways and multiple backing locations.
