Do you get satisfaction working with numbers? Do you enjoy solving problems? An Accounting degree from SCC can open doors you may not have thought possible, including immediate employment or as a stepping stone toward a bachelor's degree.

The skills you acquire will enable you to pursue jobs in bookkeeping, billing and office management. Account manager, finance assistant and payroll/accounting clerk are just some of the jobs available to graduates. We also work with a number of colleges and universities where you can easily transition to a four-year degree.

SCC is the Right Choice

You'll receive a quality education from exceptional instructors who are experts in their field.

- Practical, hands-on approach to learning, helping you develop skills and knowledge to immediately contribute to the workplace
- Flexible class schedule, including face-to-face and online, to help you reach your goals
- Small class sizes for more personal attention
- One-on-one advising to help you optimize your transfer options.

"SCC's Accounting program has been a fantastic experience. I love the variety of courses and instruction methods. The faculty have been amazing to work with! Whether in class or online, my advisor and teachers have taken the time to clarify information, help with assignments, or just give encouragement."
